Sir,

Resubmitted.

2. The scale of pay of the Head Accountant is Rs.40-1-50 per mensem plus 25% temporary allowance.

3. Out of the 6 schools under the control of the Municipal Council only one is held in a building belonging to the council while the rest are held in rented buildings. Only one of the latter can be said to be suitable for school purposes. The equipment of the schools is also not quite satisfactory. Some additional furniture and appliances such as maps and pictures are also needed. About Rs.500 may be required in this account. Additional teachers are also required in 3 schools. It may

also

also be mentioned that this Municipal council has not yet introduced compulsion.

4. As the number of schools under the Municipal Council is only 6 the work in connection with the maintenance of accounts of these schools cannot be heavy. Moreover, the schools are not adequately accommodated and equipped. The proposal of the Chairman, Municipal Council is therefore not supported.
