Office of the Registrar General of Panchayats

No. 6114 - 1

From

M.R.Ry Rai Bahadur

N. Gopalaswami Ayyangar Avl., B.A., B.L.,

Registrar General of Panchayats,

The Secretary to the Government of Madras,  
Law (Education) Department.

Dated Ootacamund, the 10th June 1926.

Subject:-

Panchayat Schools - Grants for the -  
Registrar General to be declared as the Chief  
Controlling Officer - Encashment of bills - Village  
headman's assistance - Government addressed.

Sir,

In paragraph 5 of G.O.No.756 Law (Education,  
dated 1st May 1926, Government have ordered that the  
grants to panchayat schools should be disbursed by me  
and that the details of the procedure to be adopted  
for their payment should be settled in consultation  
with the Accountant-General. An extract of paragraph  
2 of the reply received from the Accountant-General  
to an u.o. reference made to him on the subject is  
herein enclosed. The amount having been placed at  
my disposal, it is obviously the intention of the  
Government that I should watch and Control the  
expenditure as Chief Controlling Officer. It would <sup>thus</sup>  
appear that there was no need to make any specific  
mention of this fact in the Government Order. As,  
however, the Accountant-General suggests that this  
may be formally settled by me in consultation with

p. 3 u/p

with Government, I request that Government will be pleased to declare me formally as the Chief Controlling Officer for the grants that have been placed at my disposal.

2. It is proposed to pay the teaching grant of Rs.180 per annum per teacher in quarterly or other instalments in advance to the President of the Village Panchayat concerned at the sub treasury of the taluk in which the panchayat is situated. Many of the villages wherein the schools will be started are, however, out of the way and at considerable distances from the sub treasuries and it is necessary to give panchayats if possible such facilities as would save them the inconvenience, trouble and expense of sending these bills for small amounts to and cashing them at the sub treasuries periodically.

3. Under article 57 of the Special Fund Code, the headman of every village has to send to the taluk office at the beginning of every month the pay abstract of the village establishment for the previous month. I request that Government will be pleased to issue orders that, if the President of a panchayat hands over to the village headman — with the necessary endorsement for payment to the headman or his order—a teaching grant bill, he (the headman) should send it along with the pay abstract of the village establishment get it cashed at the sub treasury and pay over to the President of the Panchayat the money when received in the village. Presidents of panchayats will be instructed to hand over to the headman the bill for teaching grant on or before the date on which the village pay abstract has to be sent by him. This small help on the ~~part~~ part of the village headman will involve no extra work nor will it in any way interfere with his regular duties.

4. I request the favour of very early ~~ke~~ orders.

I have the honour to be,

Sir,

Your most obedient Servant

*M. Lalaswami*

2. It is proposed to meet the expenditure from the provision under "31 - C - Primary grants to local bodies from Primary Education - Local Boards - Grants-in-aid." The control over this expenditure under this head is exercised by the Director of Public Instruction. No mention has however been made in the notes as to whether the Registrar General will render accounts to the Director of Public Instruction as a subordinate controlling officer or intends to watch the expenditure himself as a Chief Controlling Officer. This may be settled in consultation with Govt.

RESOLUTION.

The Board sees no objection to the proposal  
that Presidents of Panchayats may hand over to headmen bills  
for teaching grants on or before the date, on which village  
pay abstracts are sent by them. It would, however, be advi-  
sable to ask Collectors to issue instructions to headmen that  
in their own interests they should get acknowledgements from  
Presidents when handing over the amounts of bills cashed.

2. With regard to some villages more than 20 miles  
away from the taluk treasury, the pay of village establish-

ments

establishments is remitted by postal money orders at Government expense - Vide Article 57 of the Special Fund Code. In such cases, the Presidents of Panchayats will have to make their own arrangements with the sub-treasury officers to draw the money.
