The general budget for 1926-27 as framed by the Board is expected to close with a balance of Rs 1,277 under the General Account against the prescribed minimum of Rs 810. If the figures are reversed with reference to the closing balance for 1924-25 as given in the Comparative Annual Account for that year the budget for 1926-27 will instead close with a deficit of Rs 1305. In the linked file it is proposed to ask the P.T.B. to reconcile the difference between the C.A.A. figures and those adopted in the budget. Further the T.R. Bd has to make provision in the current year's budget for the payment of certain annual contributions due to the Sivaramamalai Municipal Council & the file on the subject has been separately subd.

In these circumstances it is necessary to ask the T.R. Bd to reduce its contribution to the E.E. fund from Rs 9800 to Rs 6862 the contribution approved in the normal budget. The contribution for 1925-26 should be reduced to the minimum provided in the budget for 1925-26. We may ask the T.R. Bd to make provision in the budget for 1926-27 subject to the above remarks. The draft order may be accepted and the file returned to Law (Edw).

In the budget the board has entered a contribution of Rs 9,804/- for each of the years 1925-26 and 1926-27. L. & S. suggests that the contribution should be reduced to Rs 7,690/- for 1925-26 and to Rs 6,862 for 1926-27. In L. & S. no. 1174 L. & S. 8.7.25 L. & S. itself accepted a contribution of Rs 9,804/- for 1925-26. But as the normal contribution has been fixed at Rs 6,862/- the ^{reduced contribution proposed by} suggestion of L. & S. may be accepted especially in the circumstances stated in the linked file. The closing balance in the E. & S. fund budget will then be reduced to Rs 586/- Subject to approval a clause has been added to the draft accepting the reduced contribution. The draft may issue.
