 (Designation) Surgeon-General with the Government of

To The Secretary to the Government of Madras,

LOCAL SELF GOVERNMENT (PUBLIC HEALTH) Department.

Sir,

I have the honour to address Government on the question of exemption of the undermentioned stewards in permanent Government employ from the general educational qualifications prescribed in Article 1 of the Public Service Notification.

M.R.Ry.T.Swaminatha Iyer, Steward - Government Victoria Caste
and Gosha Hospital, Madras, Scale of pay Rs.65-4-85. He has
passed the late Government Lower Secondary Examination and
Typewriting Elementary grade and completed High School course.
He was entertained in the department on the 20th March 1911
and confirmed as a typewriting clerk in the Government Hospital
for

for Women and Children, Madras, on the 27th August 1912 in the scale of pay of Rs.20-1-25. As a result of his hard and satisfactory work in the hospital, he was appointed Steward, Government Tuberculosis Hospital since its inception in 1921. When the appointment of the Steward on Rs.65-4-85 at the Government Victoria Caste and Gosha Hospital, Madras, fell vacant consequent on the retirement of the permanent incumbent in September last, M.R.Ry. T.Swaminatha Iyer was recommended by the Superintendent for the appointment. He was reported by the Superintendent to be an intelligent hard working and trustworthy steward. He was also doing the multiple duties of office clerk, steward linen-keeper and typist of the hospital ever since it was started in 1921. Further he was the senior most of the permanent stewards in the scale of pay of Rs.40-65 who applied for the post of steward in the Government Victoria Caste & Gosha Hospital. In consideration of his long service and hard and satisfactory work he was in anticipation of the sanction of Government for exemption selected by me for the post of the steward on Rs.65-4-85 in the Victoria Caste & Gosha Hospital and transferred to that hospital from the Government Tuberculosis Hospital in September last. He has been drawing Rs.65 i.e. the minimum in the time scale of pay Rs.65-4-85 sanctioned for the appointment since he joined duty at the Victoria Caste & Gosha Hospital.

(2) M.R.Ry.C.Venkatasa Perumal Chettiar - Steward - Government Tuberculosis Hospital, Madras - scale of pay Rs.40-40-1 $\frac{1}{2}$ -55-1-65.

This steward has read up to the Fifth Form. He was confirmed on Rs.9 in the Government Leper Hospital, Madras, on the 9th November 1906. On account of his hard and satisfactory work in the hospital he was promoted by the then Superintendents as storekeeper and subsequently as steward in the same institution. His appointment was abolished consequent on the transfer of the management of the Lady Willingdon Leper Settlement, Tirumani, to the Mission. He was therefore given 3 months' notice of discharge which expired on the 17th August 1925. At the time of the abolition

of

of his post, he was drawing Rs.44 $\frac{1}{2}$ in the scale of pay of Rs.40-40-1 $\frac{1}{2}$ -55-1-65. Subsequently he accepted an acting appointment in the Government Royapuram Hospital from the 23rd August 1925. In the meanwhile he was provided with a permanent appointment in the Government Tuberculosis Hospital, Madras, in the vacancy caused by the transfer of M.R.Ry. T.Swaminatha Iyer, permanent steward of the hospital as steward of the Government Victoria Caste and Gosha Hospital. He was acting steward at the Royapuram Hospital from 23rd August to 22nd September 1925 and joined the appointment at the Government Tuberculosis Hospital on the 23rd September 1925 forenoon. The Accountant-General, Madras, has objected to the payment of Rs.44 $\frac{1}{2}$ to him as there was an interruption in his service from 17th August 1925 to 23rd September 1925 on which latter date he joined duty at the Government Tuberculosis Hospital, Madras.

The circumstances under which the above two stewards were not exempted from the operation of article 1 of the Public Service Notification is explained below. The heads of medical institutions were asked to report to this office the names of all unqualified clerks employed in the Government medical institutions under their control together with the details of their service and the pay drawn by them with a view to exempt such of the deserving clerks from the minimum general educational qualifications under the powers delegated to the Heads of Departments in G.O.No.722 Law (Education) dated 13th June 1922. It was reported by the Superintendents, Government Tuberculosis and Government Leper Hospitals, Madras, wherein M.R.Ry.T.Swaminatha Iyer and M.R.Ry.C.Venkatesaperumal Chettiar respectively were then employed that they need not be exempted from the operations of Article I of the Public Service Notification as they were in Government service since the 20th March 1911 and the 9th November 1906 respectively. It has since been ascertained that exemption from the minimum

general

(X)

general educational qualification is necessary in their case as they have since been given the benefit of the revised scale of pay of Rs.40-65 sanctioned for stewards in the City State Hospitals.

In consideration of their long service of 14 and 19 years respectively under Government and hard and satisfactory work, I strongly recommend that the Government will be pleased to exempt them from the operation of Article 1 of the Public Service Notification for employment as stewards on Rs.65-4-85 and Rs.40-65 respectively in the Government Victoria Caste and Gosha and Tuberculosis Hospitals waiving the claim of recovery of the amount over drawn by them by way of increments without obtaining specific orders exempting them from the minimum general educational qualifications. It is also requested that Government will be pleased to condone the break in service from 17th August 1925 to 23rd September 1925 of M.R.Ry.C.Venkatesaperumal Chettiar so as to enable him to draw Rs.44½ per mensem the pay he was drawing at the Leper Settlement in the time scale of pay of Rs.40-65.

The L.S.G. Department propose to inform the Surgeon General that he may sanction the exemption of the stewards with retrospective effect. In Memo. No. 2144 B-3, dated 9th September 1925, it has been decided that the period of service prior to the date of exemption should not be allowed to count for increments. The sanction of Government is necessary for relaxing this restriction. Further, if the Surgeon General should sanction the exemption he must furnish the certificate prescribed in clause (V) of paragraph 2 of G.O. No. 722 B-3. 6.25. In these circumstances, the exemption may be sanctioned by Government. If the clerks should be permitted to draw their present pay in the time scale the concurrence of the Finance Department is necessary. The file may be sent to that Department.

The two stewards in question are unpassed men. Under para 4 of G.O., No. 164, Law (Edn) dated 4-2-25, only the minimum pay of Rs. 40 in the scale of Rs. 40--65 should have been allowed to them. They were wrongly allowed to draw increments. The S.G. now recommends that the over-payments made to them by way of increments may be waived. The L.S.G. dept. however propose that the two stewards may be exempted from the operation of Art: 1 of the Public Service Notification with retrospective effect.

In this office letter Ref. No.2228-3-G., dated 16-11-1925 it was recommended to Government that M.R.Ry. C. Venkatesaperummal Chettiyar steward of the Government Tuberculosis Hospital, Madras, be exempted from the minimum General Educational Qualification waiving the recovery of the amount overdrawn by him by way of increments and that he be permitted to continue to draw Rs.44½ per mensem i.e., the pay drawn by him at the Leper Settlement in the time scale of pay of Rs.40-65. It was also recommended to Government that the break in his service from 17th August 1925 to 22nd September 1925 may be condoned. The G.O. above exempts him only from the minimum general educational qualification with effect from the date of the order i.e., 29th January 1926. The G.O. is silent on the other points raised by me in my letter. Under the above orders of Government the steward will be eligible for a pay of Rs.44½ per mensem in the time scale of pay of Rs.40-65 only after 5 years. Will you therefore kindly inform me whether the question regarding his pay and break of service is under separate consideration of Government and if so when the orders of Government may be expected.

You T.M. of 12.2.26 regarding the pay of the steward of the
Tuberculosis Hospital. The Govt decided that the steward should draw
only the minimum pay of the appt from the date of exemption and
that no increments should be allowed for past service. The question
of condoning the break in his service does not therefore arise & no
further orders are necessary.
