Roc No. 507 El 24-25

Station Periyakulam, Dated the 20th October 1925.

From (Name) The Honourable Dwain Bahadur,  
V. Rama Bhadr Naidu Garu,

(Designation) Chairman, Municipal Council,  
Periyakulam

To The Secretary to the Government of Madras,

Law (Education) Department.

Sir,

I have the honour to forward herewith a  
copy of the Council's resolution No. 68 dated the  
23rd May 1925 and request that Govern-  
ment will be pleased to sanction a sub-  
sidy of Rs 405 to enable the Council to  
meet the increased cost involved in enhanc-  
ing the salary of the teachers of the municipal  
elementary schools.

2. The teachers of the municipal  
elementary schools were all along being

2/  
 paid comparatively low salaries. Even when the grant of capitation allowance was abolished with effect from 1st April 1923, the pay of the teachers was not raised as advised by Government to compensate for that loss, on account of the Council's ~~then~~ <sup>its</sup> stringent financial condition. Now that the pay of the teachers in all the board and municipal schools in the district has been revised in accordance with the instructions in G.O. No. 14 Law (Education) dated 3rd. January 1923, this Municipal Council could not hold it in abeyance any longer. The pay of the teachers in the Municipal Elementary Schools has therefore been revised as follows with effect from 1st. March 1925.

|                                     | Boys<br>School.<br>Rs. | Girls<br>School.<br>Rs. |
|-------------------------------------|------------------------|-------------------------|
| Elementary Higher grade - trained.  | 20-1-25.               | 22-1-26                 |
| " " lower " "                       | 16-1-20                | 18-1-21                 |
| Trained but certificate uncompleted |                        |                         |
| Higher -                            | 17-                    | 20.                     |
| Lower.                              | 15-                    | 16.                     |

3. This revision has involved an increased expenditure of Rs. 810 in the current official year. The Council is not able to meet it in full from its funds, especially as the Government has refused to sanction the additional subsidy applied for on behalf of the 3rd. ward girls school building. This refusal has placed the Council in a very difficult situation in that the money

3  
 required for elementary education has to be diverted from the general funds of the Council to the prejudice of important works under town improvement and public health. In the covering letter to the revised elementary education budget also, it is clearly stated that the provision in the budget of the increased expenditure is only tentative and is in expectation of the Government subsidy of half the increased cost. It is therefore requested that the subsidy of Rs. 405 now applied for may kindly be sanctioned.

I have the honour to be,  
 Sir,  
 Your most obedient Servant,

V. Sautanurthy,  
 Chairman  
 P.M.C.

To The Secretary to the Government of Madras,

Law (Education)

Department.

Sir.

In submitting herewith letter R.O.C.No.507 G1  
24- 25 dated 20- 10- 25 from the Chairman, Municipal  
Council, Periyakulam applying for a grant towards the  
enhancement of the salary of teachers in elementary  
schools, I have the honour to state that in G.O.No.  
1164 Law (Education) dated 3- 10- 22 it was ordered that  
the system of the payment of capitation allowance to  
Board and Municipal school teachers should be abolished  
with effect from 1- 4- 23 and the local bodies concerned  
were requested to revise the pay of teachers suitably  
so as to protect them from loss of capitation allowance

Towards this

2. It is observed from the letter of the Chairman, Municipal Council, Periyakulam that the council did not revise the pay of teachers with effect from 1- 4- 23 but has now resolved to revise the same with effect from 1- 4- 25 and requests the payment of a half grant of Rs.405 to meet the extra cost. The expenditure incurred by the council on the payment of capitation allowance was Rs.118 and this amount should have been utilised for the payment of compensatory allowance in lieu of capitation allowance or for the revision of pay of teachers with effect from 1- 4- 23. No subsidy is payable towards the revision of pay of teachers and local bodies have been informed of this in para 2 of G.O.No.14 Law(Education) dated 3- 1- 23. Further in the Budget Estimate for 1925- 26 of the Elementary Education Fund under the control of the council provision was made for meeting the cost of the revision of pay of teachers and Government while approving the Budget Estimate have already reduced the credit taken for enhanced Government contribution. Further the council is not levying the Education cess- In these circumstances the request for a grant is not supported.
