Reference:- G.O.No.528 Mis.Law(Education) dated 1-4-1926 - Acquisition of a building and site for the - Board High School, Poonamallee - $\frac{1}{2}$ grant.

In the Order quoted above, Government have stated that they are unable to sanction the subsidy to the -- District Board towards the cost of acquiring the building and site as they consider that the entire cost can be met from the funds of the District Board. This is not actually so. The position of the District Board -

that it cannot actually meet from its own funds the entire cost of the acquisition, has been already --- explained in my letter R.O.C.No.1302 L of 24 dated -- 4-1-1926. Besides, in the Budget for 1926-27, credit has been taken for Rs.4,500/- from Government grant - and provision made for the several services leaving a working balance. The acquisition is going on and it cannot be abandoned at this stage. So if Government do not sanction the amount from provincial funds, the District Board will be landed in difficulty. They - cannot meet the whole cost required for the acquisition from its own funds without cutting short the expenditure under some other heads by starving them. In this connection, I beg to point out that even the private -- Aided schools get half the grant from Government for -- such purposes. So I request that Government may be - pleased to reconsider their order, sanction the half - grant applied for and save the District Board from its financial crisis. A copy of the resolution of the -- District Board No.24 dated 24-4-1926, requesting Govern-
ment to reconsider their orders, is herewith enclosed.

Memorandum:- No. 13067-2-B-1/ L & M, dated the 15th June 1926.

G.O.No. 528 Law (Education), dated the 1st April 1926

From the President, District Board, Chingleput, No.1302-L of 24,

dated the 1st May 1926.

Grant -Chingleput district board - Poonamalle high school
building.

The budget estimate of the Chingleput District Board for 1926-27

opens with a balance of Rs 11870/- and closes with a balance of Rs 15790/- under
the General Account - Ordinary. The opening balance has apparently been arrived
at after taking into account the sum of Rs 18335/- debited against the district
board by the Accountant-General in October 1925 on account of the final
adjustment of land cess for 1924-25. It is observed from the letter of the
Collector of Chingleput No. 939-26, dated the 27th February 1926 (copy enclosed)
that the debit has since been cancelled and that the correct amount to be
debited to the district board in the final adjustment of landcess for 1924-25
is Rs 1728/-. This will apparently increase the opening and closing balances
under the general funds of the district board for 1926-27 by Rs 17107/-
(18835 minus 1728) to Rs 28477 and Rs 32397 respectively. The President is
requested to offer his remarks.

I have the honour to state that a copy of letter

in the Government Memorandum was already communicated to
me by the Collector in his endorsement L.Dis.No.15766-25-

this communication, I asked the District Board Engineer

ordered to be stopped as soon as I first received
the debit order from the Accountant-General in --
October 1925. Hence the sum of Rs.17,107/- which
has been specifically allotted for other works and
on which expenditure is now being incurred is not -
available for any other purpose. I therefore re-
quest that Government may be pleased to sanction the
half grant for the acquisition of the building for -
the Board High School at Poonamallee, extending at -
least the bare treatment that is accorded to private
managers of aided schools.

Chingleput No 1302 dt 1-5-26.

Subject. Grant for High School building.
Chingleput Dt Bd.

The P. D. B Chingleput wants a reconsideration of G. O No 528 Law (Edn) dt 1-4-26 and requests that a half-grant may be made towards the cost of purchase of a building and site for the Board High School Poornamalle. Attention is invited to the notes on pages 24 to 27 of the G. O quoted above. The estimated closing balance of the Dt Bd under general funds for the current year is 32,897 whereas the entire cost of the work is only Rs 9,787. The P. D. B has not adduced any new facts to make out a case for a half-grant. A reconsideration of G. O No 528 Law (Edn) dt 1-4-26 may be refused. The case may be sent to Law (Edn) for issue of orders.

Building grant for the Poonamallee High School,
Chingleput District.

This is one of the schemes placed before
the Finance Committee as a Part II scheme in connec-
tion with the Budget for 1926-27. At the time when
the proposals were placed before the Finance Committee
the Government had not passed final orders on the
application of the Chingleput Dt. Board for a grant
for the purchase of a building and site for the
school. Subsequently, however, in G.O.No.528 Law
(Edn) dated 1-4-26 the Government declined to sanc-
tion a grant on the ground that the District Board
could meet the entire cost (Rs.9,787) from its own
funds.

2. The District Board has now asked for a re-
consideration of the above order. On pages 26-27 of
G.O.No.528 Law (Edn) dated 1-4-26, the L.S.G. Depatt
noted that the budget of the Dt. Board for 1926-27
was expected to open with a balance of Rs.28,977 and
close with a balance of Rs.32,897 (after taking into
account a credit of Rs.17,107 being the cess collec-
tions due to the Dt. Board) and that the Board
would be able to meet the entire cost (Rs.9,787) of
the building after providing for the minimum working
balance. The President of the Dt. Board has now
reported that a sum of Rs.17,107 has since been
allotted for other works on which expenditure is
now being incurred and that it is not available for
the purchase of the School building. He has also
stated that the acquisition of the building and site
is going on, that it cannot be abandoned, and that
if Government do not sanction a grant, the Dt. Board
will be landed in difficulty.
