The Principal in Nagarkot Aizer
told me the Candidate who he
taken up. Final report might be
to D.S. & and a copy might be sent to the Nepal State

To,
The Hon'ble
The Minister of Education
Madras

22/12/25

Sir,

The Government of Nepal have got a B.Sc passed student for
a complete course of training to qualify himself as Civil Engineer
and I am directed to approach you with a request that he may be
given admission into the College of Engineering at Guindy, Madras,
from its next first sitting in July next. The student who possesses
good health and good character is a Government stipendiary belonging
to this country and so need not be made eligible for the College
scholarships or to employment there on successful termination of
his studies and training in the College.

Begging to be favoured with an early reply.

I have the honor to be

Sir,

Your most obedient servant

Marichi Man Singh

Bada Kaji

Secretary to the Government Nepal

C. 4141C

Memo No 4141C-1 of 4.1.26.

Letter from the Secretary to
the Govt of Nepal of 15.12.25

— Admission of a Student
who has passed the B.S.C exami-
nation, into the College of
Engineering, Birinchi.

A copy of the
letter from the Government
of Nepal on the subject
mentioned above is forwarded
to the Director of Public
Instruction who is
requested to state whether
the Student referred
to in the letter can be
admitted into the
College of Engineering,
Birinchi.

From (Name) R.Littlehailes Esq., M.A.,

(Designation) Director of Public Instruction

Madras.

To The Secretary to the Government of Madras,

Law(Education) Department.

Sir.

With reference to Government Law(Education)

Memo No.4141 C-1 dated 4- 1- 26, I have the honour to state that no information has been furnished in the letter from the Government of Nepal about the optional subject of the B.Sc student referred to, nor about the University in which he took that degree. It is necessary that the candidate should be proficient in Mathematics to be able to follow the course in Engineering. If his group of subjects includes Mathematics, arrangements can be made for his admission as a special case.

The Government of Nepal enquire whether a student there, who has taken the B.Sc., degree, will be admitted in the College of Engineering, Guindy, in July next. The Director to whom the Nepal Government's letter was sent for remarks, ^{but said} that no information has been furnished, as to the optional subject taken by the student for the B.Sc., degree or about the University in which he took that degree. He adds that the student will be admitted in the Engineering College as a special case, if the optional group taken by the student includes Mathematics. The Government of Nepal may be informed accordingly. ² The Director raises the question whether the Govt. of Nepal should be required to make a contribution towards the cost of training the student in the Engineering College, Guindy. Apparently he has in mind the correspondence ending with G.O.No. 640, dated 28-4-1924.

p. 25-ibid
p. 1-2 of Govt. No 640, 28-4-24 (M)
In 1921 the Govt. of the United Provinces claimed from this Govt. the cost of training a ~~xxx~~ private student from the Madras Presidency, who had undergone training in the Thomason Civil Engineering College, Roorke, in 1918-19. This Govt. refused to accept the claim on the ground that the student had not been deputed by them. The question of charging the Govt. ^{ernment} ~~concerned~~, for any students from other provinces studying in the Madras Engineering College, was then raised but was not considered, as there were no students of other provinces studying in the college.

In 1924 the U.P. Government decided that ^{student}

arrangements for the admission of the candidate in the College of Engineering, Guindy, as a special case, provided his prop ^{for the B.Sc.} of subjects includes Mathematics. It is necessary that the candidate should be proficient in Mathematics, to be able to follow the course in Engineering.

2. I am to enclose for reference a copy of the rules relating to the constitution and working of the college and to state that the student will have to pay the usual tuition fees and other charges.
