Sir,

Resubmitted.

2. Out of the 131 Board Elementary Schools for
boys 36 are held in buildings belonging to the Board, 26 in
rented buildings and 69 in rent-free buildings such as
Chavadies, temples and private houses. Accommodation is
reported to be suitable in the case of about half the
number of schools. 75% Of the total number of schools may
be said to be fairly well equipped. Additional staff is
required in the case of 9 schools - one teacher for each
school - and one temporary teacher already working should
be made permanent. There is only one school-less centre in

the

the area under the jurisdiction of the Board. The financial position of the Elementary Education Fund under the control of the Taluk Board is satisfactory.

3. As there are more than 100 schools under the management of the Taluk Board the President Taluk Board's request is supported. I may however mention that the scale of pay proposed to the clerk seems to be rather high since the Headclerks of some of the Taluk Board offices draw only Rs. 50 per mensem.

[C.O. 8581] from the P.T.B. Esilampatti No 8-5/26 4-3
[.. 2793A] D.P.D. No 5973/26 2/16-7-26

Subject Employment of a clerk for maintenance of accounts relating to the E.E. fund - Esilampatti taluk board.

The taluk board, Esilampatti maintains 131 schools. The D.P.D.'s suggestion that the board may be permitted to debit the pay of one of its clerks to the E.E. fund the pay of one clerk employed for the maintenance of the E.E. fund accounts relating to the E.E. fund may be accepted.

2. The board proposes a pay of Rs 50.3.65 for the clerk in question. The D.P.D. considers that the pay proposed is rather high. Since the head clerks in some of the taluk board offices draw only Rs 50/- p.m. The Examiner of L.F.A. recently suggested that while according permission to local bodies to debit the pay of one or more of their clerks to the E.E. fund, the Govt. should fix the pay of the clerk that should be so debited; but it was pointed out to him in G.O. No 884 of 17.5.26 that under Section 67 of the Madras Local Bodies Act and Section 70 of the Madras District Municipalities Act the local bodies are themselves competent to fix the salaries of their establishments including those of the clerk attending to work connected with elementary education. It is however for consideration whether in the present

present case the ~~to~~ Uzilampatti taluk board may be
 advised to consider the question whether the pay may be
 fixed at a lower scale say Rs 35-35-1 1/2-50-1-10 etc
 may be requested uo. to offer its remarks with ref.
 to the scale of pay prevailing in the taluk Bds?

The board employs six permanent clerk
 and one temporary clerk. The third and the fourth
 clerks draw a pay of Rs 50-3-65 p.m each. The
 second clerk whose pay is Rs 65-3-80 devotes
 practically his whole time to work connected with
 elementary education. In the circumstances the
 proposal of the taluk board to debit the pay of
 a clerk at Rs 50-3-65 to the E.F. fund may be
 accepted. It is not however usual to maintain
 in the draft over the scale of pay of the clerk em-
 ployed for maintenance of accounts relating to
 the E.F. fund. Vide para 2 on pp 1-2 ante. Draft
