Sir,

I have ~~been~~ the honour to state that I have been drawing Rs.500/- in the M.E.S. from 17th July 1925. As there is an efficiency bar beyond the stage of Rs.500/- in the time scale applicable to the M.E.S., I have the honour to request that orders of Government may be obtained to allow me to cross the bar and draw the next increment of Rs.50/- from 17th July 1926.

I have the honour to be,

Sir,

Your most obedient servant,

M. Parthasarathy Iyengar

Additional Professor of Botany.

Submitted and recommended.

Mr. Parthasarathy Ayyangar has carried on the work which has devolved on him with distinction to the College and credit to himself. He has added very largely to the collection of cyptoganes chiefly sea weeds, in published papers has added considerable to scientific knowledge of them - and he ^{has} described several species new to science. His teaching work as judged by the standard shown by his pupils has been excellent and in consequence his students have been taken in increasing number by the Agricultural Department for scientific posts at Coimbatore and by other Departments. Thus after I handed over charge to him in 1920, 14 appointments have been obtained by his students, two in the Indian Forest Service, 1 for Research under the All India Cotton Committee, 2 as Assistant Lecturers in other colleges and 9 by the Agricultural Department. In addition one holds a Madras University Scholarship. These ^{successes} ~~services~~ afford incontestable evidence of the good training he gives his students, and I have no hesitation in saying that he is thoroughly efficient in his work.
