Referred to the Director of
Public Instruction for remarks
(by order)

With reference to G.O.No.106 Law (Education) dated
25-1-26, I have the honour to forward herewith a copy of
Taluk Board Resolution No.49 dated 3-5-26 and to request
that Government will be pleased to accord sanction for
incurring the charges referred to therein from out of
the Elementary Education funds.

2. There are nearly one hundred schools at present
under the control of this Taluk Board and it is very
likely that they will still increase in course of time.
There were only 42 schools when this Board was formed
in October 1923 and the ~~no.~~ ^{number} has now increased considerably
- that is more than double. A separate account has been
ordered to be kept in respect of the transactions re-
lating to Elementary Education funds with effect from
1-4-25 and this has largely contributed to the increase
of work. In the above circumstances, the Board has
sanctioned the entertainment of an additional clerk for
this branch of work.

3. In consideration of the vast jurisdiction of the
Taluk Board area and the very large ~~no.~~ ^{number} of schools under
the Board, and the ~~many~~ multifarious duties thrown upon
the Deputy Inspectors of schools, (who are the only ins-

pecting agencies appointed by Government both in respect of Board schools and aided schools.) and the very close and frequent inspections to be made in respect of the schools, the appointment of a supervisor was thought quite necessary. A supervisor was therefore appointed temporarily from April 1924 and he is continuing still. A kind reference is also solicited to the copy of the resolution of the District Educational Council, Ramnad dated 5-2-24 strongly commending the appointment of supervisors by local Boards. (copy enclosed).

4. With regard to allotment in the budget estimate to meet the charge, necessary provision has already been made in the current year's budget towards the pay &c. of the supervisor of schools. With regard to the allotment required for expenditure in respect of the clerks, I think necessary provision may be made from the opening balance for the present, till the budget is revised in November 1926.

I have the honour to be,

Sir,

Your most obedient servant,

M. S. S. S.

President.

the board to debit to the E.E.Fund the pay of its supervisor of elementary schools. The supervisor should observe the following rules:-

(1) ^{On} of the 20th of every month the supervisor will submit his tour programme for the succeeding month for the approval of the President.

(2) He will also submit a weekly diary of work done, one copy to the President and another to the Dy. Inspector of schools concerned.

(3) The visits to elementary schools by the supervisor will be mainly for improvement and checking of registers. He should visit each school regularly and as frequently as may be required by the President or the departmental inspecting officers.

(4) The supervisors will make arrangements to see the Dy Inspector of schools of the taluk at least once a month and have an interview with him on matters relating to board schools.

(5) Instructions issued by the departmental inspecting officers should be noted for guidance by the supervisor and matters of importance should be reported to the President at once for necessary orders. The supervisor will supply to the educational authorities such figures and statements pertaining to educational matters as may be called for by them. He will also collect the annual returns of figures relating to board elementary schools.

(6) The supervisor will attend all teachers' association meetings.

(7) The securing of good buildings, if possible, free of rent by personal interview and persuasion and if necessary with the help of firka member, will form one of the important duties of the supervisor.
