Station Madras Dated the 19th July 1926 192

From (Name) R.G.Grieve Esq., M.A., F.R.G S.,

(Designation) Ag. Director of Public Instruction.

To The Secretary to the Government of Madras

LAW (EDUCATION)

Department.

Sir, With reference to para 3 of G.O.No. 398 Law (Education) dated 16th March 1926, I have the honour to --
recommend the proposals of the Principal, College of Engineering, Guindy contained in his letter R.C.No.319/26 dated 7th June 1926 copy enclosed. The Chief Engineer, Public Works Department (General-Roads and Buildings) who was consulted in the matter has also in his letter No.192 S.E/26 C.R dated 6th July 1926 (Copy enclosed) approved the Principal's proposals.

The applications received by the Principal, College

of Engineering, Guindy are herewith submitted.

I have the honour to be,

Sir,

Your most obedient servant,

P. Rama Ray

for Director of Public Instruction

P.R.K. 22/7

3
Copy of letter R.C.No. 319/26, dated 7th June 1926
from the Principal, College of Engineering, Guindy
to the Director of Public Instruction, Madras.

I have the honour to submit herewith all the
applications received together with a statement of
qualifications.

The work of the instructors involves the teaching
of such purely theoretical subjects as Geometrical
Drawing, Mechanisms and mechanics of machinery; Theory
of Heat Engines, General Machine Design which cannot
be satisfactorily done by one without academical
qualifications of a higher order. The three applica-
tions marked 15, 16, 17 in the list cannot be considered
in consequence.

I also presume that where graduates of the Madras
University turned out of our college with equal experience
and calibre are available, men of other Universities
should not be preferred. Nos. 4, 13, 14 will come under
the class of outside men.

Most of the experience of applicants 2 and 3 is
confined to ordinary civil works of Public Works Depart-
ment or Local Funds and they need not therefore be
considered.

There are then the following to be considered for

the Senior Assistant's place:-

No 1 in list (F) K.B. Krishna Rao (B.E. 1920)
No 5 " " K.V. Pasupathy (B.E. 1923)
No 6 " " P.V. Sankaranarayana Ayyar (B.E. 1924)

for the Junior Assistant's place. -

No 7 " " K. Lakshmana Rao (B.E. 1925)
No 8 " " N. Hanumantha Rao (B.E. 1925)
No 9 " " P. Venkatasubba Rao (B.E. 1925)
No 10 " " R. Natesan (B.E. 1925)
No 11 " " S. Gopalan (B.E. 1926)
No 12 " " T.K. Aiyaswami (B.E. 1926)

Of these, the last two will complete their year's
practical course on the 5th July next and the last in the
senior list his three years' on about the same date. I
understand Mr. P.V. Sankaranarayana Ayyar will not care

(K)

B.A.B.E
Intermediate
I class B.E

to accept the junior assistant's place as he is already getting Rs. 175/- in the M & S M Rys and has been promised advancement.

I recommend Mr.K.B. Krishna Rao for the Senior Assisant's place and Mr.K. V.Pasupathy for the Junior Assistant's place. As the latter has already put in three years' service and draws Rs 150/- now I recommend that Mr.K.V. Pasupathy may be given credit for 3 years service and be started at Rs 150 the pay he draws now. If he does not accept the offer of Junior Assistant's post Mr.K.Lakshmana Rao may be appointed as Junior Assistant Instructor. The men selected will be on probation for one year.

Copy of letter No. 192 S.E. 26 C.R dated 6th July 1926 from the Chief Engineer, Public Works Department to the Director of Public Instruction, Madras.

Ref: College of Engineering, Guindy- Mechanical Engineering section - Two posts of Assistant Instructors newly sanctioned- Proposals for filling ~~xx~~ - Reference Your letter R.O.C.No. 482 C/26, dated 23-6-1926.

I have no objection to the proposals of the Principal College of Engineering, Guindy being approved.

2. The Principal's letter No.R.C 319/26, dated 7th June 1926 with its enclosures received with your letter under reply is herewith returned.

Sir,

With reference to your advertisement for a junior Assistant Instructor, I beg to submit my application with testimonials for favourable consideration.

As for my qualifications, I beg to state that I have been diplomated in 1912 December in the Mechanical Engineering in the Victoria Jubilee Technical Institute, Bombay, and got the diploma L.M.E. in First Class with honours.

I worked in the Department of Industries, Madras, and in the P.W. Workshops, Godavary Head-works, Suleiswaram, as an assistant superintendent. Owing to the retrenchment policy of the government, my post was abolished and my services were dispensed with. I then acted in the Carnatic Paper Mills, Rajahmundry, as an assistant Engineer. I have given entire satisfaction to my superiors which fact will be disclosed by perusing my testimonials.

I think, I can satisfy you better as a junior Instructor, if I am favoured with the post.

I beg to remain,
Sir,

Your most obedient servant,

T. Vaidyanatham

Sir,

I beg to apply for the post of Instructor in Mechanical Engineering in your college as advertised by you in The Madras Mail of recent date.

I am a Mechanical Engineering graduate of The Mysore University College of Engineering, Bangalore and have also served for one year. I was in Central Industrial Workshops, Bangalore, for six months, doing responsible work of designing, drawing, testing and supervision over the manufactured articles of the works. Later, I have served in the Central Railway Workshops, at Mysore, fitting up all the parts of the locomotive.

Besides I have a great liking for the post and feel confident of giving you entire satisfaction of my work.

Hoping to be favoured and thanking you in anticipation.

Chief Foreman,
In charge of Corporation Workshop,
Madras.

To.

The Principal,
The College of Engineering, Guindy.

Thr.

The Engineer,
Corporation of Madras, Madras.

Sir,

In response to your advertisement in the Hindu last saturday, I beg to apply myself as a candidate for the post of the Senior Assistant Instructor, instruction in mechanical Engineering, in the college of Engineering, Guindy.

My qualifications are detailed hereunder:---

I am a graduate in Arts and Science of the University of Madras, Having passed the B.A. examination in 1919 with Physical Science as my special subject. Subsequently I underwent a course of 4 years in the same Engineering college and qualified myself as a Mechanical and Electrical Engineer in 1923. During my course I was getting a scholarship of Rs.30/- from the Government of Madras.

I passed the B.E. degree examination in Mechanical Engineering in 1923.

I was ^{apprenticed} appointed in the Public Works Workshop and a certificate regarding the works I did there, I herewith attach. Mr. Roberts entrusted to me many important drawings and designs, which I carried out to his satisfaction as mentioned in the certificate.

After

(641)

After my apprenticeship I was employed in the Locomotive and Carriage Workshops of the M & S.M. railway at Perambur, for a few months as a probationer. I was in charge of the repairing and testing of electrical machinery.

Since November 1924 I have been in charge of the Corporation Workshop, as the Chief Foreman.

With reference to my conduct and character the Professors and Principal of the college, in which I studied, and the masters under whom I had the pleasure to serve, will testify.

I herewith attach a few of my credentials for your kind perusal.

I beg to remain,
Sir,

Your most obedient servant

16-5-1919.

K.V. Pasupathy has been reading in this college for his university course and has appeared for the B.A. degree examination, Group II.A, Physics. I know him personally very well and I am glad to say his character and conduct are excellent. He is intelligent, hardworking, conscientious, frank and reliable and at the same time cheerful, good natured and obedient. The Professors are unanimous in expressing complete satisfaction with his conduct and his work.

He has been a scholarship holder in the college for several years. His claim to a scholarship was not only the really hard circumstances of his family, but also and chiefly his good conduct and his proficiency.

I should like to recommend him particularly.

Sd. F. Bertram S.J.
Principal

Presidency P.W. Workshops and Stores
Madras 4th July 1924.

This is to certify that K.V. Pasupathi, Mechanical Engineer student of the college of Engineering, Guindy, has undergone his practical training in the Public Works Workshops., Madras, for about one year. He is an intelligent, hardworking and eager to learn. While here, he has prepared designs and drawings, estimates and detail calculations and stress diagrams for various works, such as travelling Cranes, roof trusses, steel trestles for wire rope way, heavy iron jail gates, steel stanchion irrigation shutters and sundry machine parts and of the parts of the new Kistna Walling shutters. He conducted tests on various kinds of pumps and steam engine and assisted in the repair of boilers, engines and pumps.

He possesses a sound knowledge of theory and takes a keen interest in practical work. His conduct and behaviour have been very good. I recommend him strongly for appointment

Sd. W. Roberts M.I., Mech. E.M.I
E (Ind)

Public Works Workshops & Stores.

To,

THE PRINCIPAL,
College of Engineering,
MADRAS.

Dear Sir,

I beg to submit this, my application for the post of the instructor in Mechanical Engineering on Rs. 200-10-300.

I have passed the B.E. degree Examination in Mechanical Engineering of the Mysore University and I have served in the Mysore Iron Works as an Assistant in the Wood distillation plant, as an apprentice Engineer in the Boiler House, and as personal Assistant to Master Mechanic.

I have been a foreman of the Machine Shop and Locomotives, for the past 18 months and my work and capacity can be judged from the certificate I have enclosed.

I have worked and am working as a workman and I have done a number of improvements and regularised work in the department under my charge.

I have combined the theoretical knowledge with the practical work so essential for a Mechanical Engineer and it will be my pleasure to acquaint the ~~combined knowledge~~ ^{Students} the combined knowledge of both theory and practice. I take liberty to mention this as I am quite aware how ignorant I was when I entered the shops after the college course.

Further, I have erected and operated some industrial plants such as Rice Mills etc with oil, gas and steam engines.

I shall thank you for the opportunity if my experience and qualification could be of any value to the Institution.

I was responsible for starting a Co-Operative Society in the Engineering College while a student, and organised the same as the honorary

Secretary

13 17 131

Secretary during the first year and Vice-President the second year. I have won a medal in Inter-Class Hockey Tournament and I am good at Tennis and Volley Ball.

Thanking you,

I beg to remain,

Dear Sir,

Yours most obediently,

H.V. Subba Rao

COPY OF CERTIFICATE

FROM

Sir Frederick Nicholson, K.C.I.E.

Hon. Director, Madras Government Fisheries.

Mr. Muthukrishna Mudaliar has been in temporary Government Service, as Superintendent of the Madras Government Fisheries experimental Station, Tanur. Malabar, from 23rd August 1911 to 31st March 1912.

He was employed chiefly in Superintending the putting up of plant for manufacturing fish-oil and guano, including steam boilers, boiling vats, hand-presses, a steam driven centrifugal, &c., and the sheds for the above and for stores. He also took part in the small amount of manufacture and of fish-curing that was possible this season. He leaves at his own request.

(Sd.) F. A. Nicholson,

Hon. Director

Madras Government Fisheries.

Mr. A. T. Muthukrishna, a passed student from the Victoria Technical Institute, Bombay engaged in these shops as a boiler Improver on 24th April 07 came fully equipped with good theoretical and mechanical knowledge. Having undergone 18 months, Practical training in all branches of boiler making, I consider him sufficiently advanced and certainly capable of undertaking the duties of Boiler Maker on his own account. He understands plan reading and marking of Tube plates, patching, bushing and rivetting and flanging and other works, besides Running shed duties. He is very regular in attendance, hard working and capable and sober and self-reliant and one that can be depended upon. He leaves his appointment with a view to bettering his prospects. I feel confident that he will be able to give a good account of himself however employed that he will be found generally useful, and that his employers will have every reason to be satisfied with him. I am very sorry

to lose him, but his advancements are of Primary Importance and must outweigh all other considerations. He has my best wishes in whatever capacity, or wherever he may be employed.

From

J. K. Arjaswami

Mechanical Engineering Student on Practical Course
Public Works Workshops
Madras

To

The Principal
College of Engineering
Madras.

Sir,

With reference to your advertisement inviting applications from duly qualified persons for the post of a junior Instructor in Mechanical Engineering in the College of Engineering Madras, I offer myself as a candidate for the above mentioned post and beg to submit this, my application for the same post for your kind and favourable consideration. I beg to bring the following facts as regards my qualifications to your notice:—

I have passed the Diploma course of the Mechanical Branch of the Engineer class of the College of Engineering Madras obtaining Honours marks and have passed the B. E. Degree Examination of the Madras University held in March 1925. I have at present completed nearly ten months of my practical course in P.W. Workshops, Madras and shall be completing it fully by the 5th of July this year. I have learnt much about general Engineering practice in the Workshops, with special reference to structural work and Workshop practice. During this period of ten months, I have spent two months in the Powerhouse College of Engineering acquainting myself with the operation of the Engines and Switchboards.

With these qualifications and experience I submit that I shall be able to discharge the duties of the abovesaid post to your best satisfaction. Expecting your kind patronage, I am much much obliged to you.

I beg to remain,

Sir,

Your most obedient Student

J. K. Arjaswami

April 19th 1926

To The Principal
College of Engng
Gurindry, Madras

Sir,

Seeing your advt. in the "Hindu" of Madras, calling for applications from qualified candidates, for the post of lecturer in Mechanical Engineering in your college, I have great pleasure in offering myself for the said post. I passed my B.E. before Examⁿ in Mech Engng from the College of Engineering Bangalore standing third in the order of merit. After my graduation, I have served a period of apprenticeship in a workshop at Bangalore & later for about a year in a leading Cotton Mill at Coimbatore. At present I am serving as Water Works Engineer in this Municipality on a salary of Rs 150/- p.m. If you are really interested in this application, I will be very glad to send you my copies of testimonials so far received for your information.

In the meantime, Anticipating your reply,
N.B. My present age is 25.

I remain Sir,
Yours most obediently
K. S. Seshadriengar

Guindy.

Sir,

With reference to your advertisement inviting applications from Graduates in Mechanical Engineering for the posts of Assistant Instructors, I beg to offer myself as an applicant for the Junior Instructor's post. I am now undergoing my practical course and shall be completing it shortly. I top the pass lists in the B.E. degree examination, 1925 and won the University Stokes Prize for Mechanical Engineering and the College Prize for drawing. In view of this only recommendation of mine may I request you to kindly exempt me from the clause relating to one year's responsible post?

If still my application is considered not qualified for that post, this can be considered as an application for any other post such as Laboratory Assistants etc., if any should fall vacant due to the appointment of any of the present incumbents to the advertised posts.

I beg to remain,

Sir,

Yours most obediently,

S. Gopalan.

Thro'

The Assistant Electrical Engineer in Charge,

Power House, M.&S.M.Ry.,

Perambur.

Sir,

I beg to offer myself as a Candidate for the post of Senior Instructor ⁱⁿ Mechanical Engineering on the grade 200-300 advertised recently.

Passing the Intermediate Examination in Arts and Science in the first class with distinctions in Mathematics, Physics and Chemistry I underwent the 5 years course in Mechanical and Electrical Engineering at the College of Engineering, Madras and passed the B.E. degree examination of the University of Madras taking the first rank. I have also passed the College Diploma examinations with Honours, securing the prizes for being first in Workshop Practice and Mechanical Engineering and the Gold Medal for Electrical Engineering. I beg to add that I have since been admitted a Graduate Member of the Institute of Mechanical Engineers.

Beginning from July 1923 I have undergone one year training at the College Power Station at Guindy, in the various divisions of the Tata Hydro Electric Power Supply Co., Ltd., and the Andhra Valley Power Supply Co., Ltd., Bombay, the biggest Hydro-Electric undertaking in India. After ^{this} I joined the Electrical Department of the M.&S.M.Ry., Co., Ltd., I worked for about a year in the Technical Section in the

35 (5) 11/19

preparation of plans, estimates etc., for various electrification schemes for the Hubli Workshops and Perambur Works etc. I was transferred to the Power House at Perambur as Ag. Chief Electrician where I am now working. My present designation is Junior Electrical Chargeman, Workshops, though I am still continuing to do the duties of Chief Electrician.

My practical experience ranges over a period of 3 years. I beg to enclose herewith copies of certificates for your kind perusal. Should you select me for the post I shall always discharge my duties conscientiously and to the best of my abilities.

Hoping that my application will meet with kind consideration and favourable orders.

I beg to remain,

Sir,

Your most obedient servant,

Now C/o Postmaster Gudivada MSMLy.
The Principal,

College of Engineering,

GUINDY.

Sir,

to
Referring your recent advertisement in the
"Hindu" for the post of Assistant Instructors in
Mechanical Engineering, I beg to offer myself as
an applicant for one of the posts. I have passed
F. A. in the 1st Class and obtained the Diploma of
Mechanical Engineer from the College of Engineering,
Madras, in 1909. After undergoing practical train-
ing in Bezwada and Royapuram Workshops for a year, I
was employed in the Public Works Department, Madras,
from 1911 to 1917, when my services were lent to the
Department of Industries till 1923. The unfortunate
wholesale retrenchment put me out of work and I took
service as Asst. Engineer in the Chingleput District
Board in 1923 where I have been since. As my appoint-
ment ceases during this month, I beg to apply for
the post of Asst. Instructor aforesaid in your College.
In the course of my past service in various capacities
and especially as Supervisor in the Department of Indus-
tries from 1917 - 1922, I was in close touch with the
several kinds of engines and machinery as well as pump-
ing and Industrial plants and boring appliances, and
I had also to see to the erection, upkeep and maintenance

42
42
of the above; and experience picked up in such service, will, I consider, be of immense help in the discharge of duties as Assistant Instructor.

I have always worked hard and in earnest^{so} as to satisfy my Official Superiors, in proof of which I am enclosing copies of some Testimonials. I am 39 years old and of good physique. I hope and request you will kindly consider my application favourably and confer on me one of the abovesaid posts.

I beg to remain,

Sir,

Your most obedient servant,

W B Sundaram Dikshitar

Sir,

With reference to your advertisement in the dailies of
Madras for applications for the post of Assistant Instructors
in Mechanical Engineering in the College of Engineering, I
beg to offer myself as a candidate for the post of Senior
Assistant.

As regards my qualifications, I beg to state that I am
a graduate in Mathematics of the Madras University passing
the examination creditably. I have undergone the Engineer's
Course of the Madras College of Engineering and have quali-
fied myself as a Mechanical Engineer (old curriculum). I
stood fourth in rank among those that passed with me.

I have put in about 6 years' service in the regular
P.W.D. line of the Madras Presidency as an Upper Sub-ordinate.
I served as a Supervisor in the Department of Industries
and pumping and boring for a period of about 4 years where
I had to do with the supervision of boring work and erec-
tion and repairs of pumping installations and industrial
machinery. I have lastly served as an Assistant Engineer
under District Boards for about 5 years. I have for a
short time served as a Lecturer in Engineering in the Agri-
cultural College, Coimbatore.

53 / 53
-2-
While studying in the College of Engineering, I was -
one of the three that were nominated to appear for the - -
superior accounts competitive examination. I stood third -
in rank out of 14 for the whole of India while the vacancies
were only two, and I lost my chance of getting into that -
service.

A copy of one of the testimonials is herewith enclosed.
I can join duty in the month of July.

Asst. Supdt.,
The Indian Steel Wire Products Ltd.,
Tatanagar.

To
The Principal,
College of Engineering,
Guindy,
Saidapet P.O.

Dear Sir,

Being given to understand that there is a --
vacancy for the post of Senior Instructor in Mechanical
Engineering, I beg to apply for the same.

I am an old student of the College, having had
my training in the Mechanical Engineer Class from 1916 - 20
and passed the B.E. Degree Examination in 1920.

From 1920-21, I had my practical training in --
the P.W.D. Workshops, Madras, Royapuram. Then I served in
the P.W.D. Madras at Vizagapatam from April to September,
1921. From November 1921 to January 1922 I worked as ----
Improver in the M. & S. M. Rly. Workshops at Perambur.
From April 1922 to September 1922 I worked as Assistant
Statistician in the Tata Hydro-Electric Power Supply Co.,
Bombay. From October 1922, I am working in the above ---
Company.

I hope, with this experience, I shall be able
to carry on with the duties of the said post to your entire
satisfaction.

I beg to remain,
Dear Sir,
Yours faithfully,

Dated Tatanagar
The 27th April, 1926.

The Principal,

College of Engineering,
Guindy.

Through

The Professor of Mechanical Engineering

Sir,

I request that I may be considered a candidate
for the post of assistant instructor in Mechanical
Engineering which has been advertised.

I have taken the B.E degree (mechanical
branch) of the Madras University in 1925 and I have
since been employed in the Electrical department P.W.D.
Madras and now I am serving in the Engineering
College, Guindy, as the Mechanical Engineering
laboratory assistant

I desire to state that I was lecturing
to the final year mechanical Engineer class on the
Theory of Machines during the second term of
1925-'26 and I am confident that I

will discharge the duties expected of an
assistant instructor to your entire satisfaction

I beg to remain,
Sir,
your most obedient servant.
R. Nathan.

Yours truly,
R. Nathan.

C.No.2335 C. From the D.P.I. R.O.C.No.482 C/26, dated 19-7-26.

Subject:--Proposals for appointment to the posts of Assistant Instructors in the Mechanical Engineering section of the Engineering College newly sanctioned.

The Director submits the applications received by the Principal, College of Engineering, Guindy, for the posts of Assistant Instructors, one on Rs.200-10-30 and the other on Rs.125-130-10-250-sanctioned in G.O. No.398, dated 16-3-1926.

2. A statement summarising the qualifications of the applications is at slip ^{nts} J. The Principal has discussed the claims of the applicants in his letter of pages 3-4 of the c.f. He recommends Mr.K.B.Krishna Rao for the post of Senior Assistant ^{Instructor} ~~Lecturer~~ and Mr.K.V. Pasupathi for the post of Junior Assistant ^{Instructor} ~~Lecturer~~, ^{lower being started on Rs 150 in the scale of Rs 125 - 250.} The latter has applied for the post of Senior Assistant ^{Instructor} ~~Lecturer~~. The Principal recommends Mr.Lakshmana Rao (No.7 in the list at J) for the post of Junior Asst. ~~Lecturer~~ if Mr. Pasupathi does not accept the post. The men selected are to be on probation for one year.

3. The Director and the Chief Engineer, P.W.D. (Roads and Buildings) accept the Principal's recommendation.

The file may be submitted to the Hon'ble the Minister for orders - please see the H.M.'s note on page 22 of G.O.No.398, dated 16-3-1926.

For the post of Senior Asst Instructor
the ~~Principal~~ has made a definite recommenda-
tion. As regards the junior Asst's
post, the acceptance of the post by
Mr. K.V. Pasupathi, the person selected,
is not certain. Mr. Lakshmana Rao
will be selected in case Mr. Pasupathi
does not accept the appointment.

p. 4 of

p. 4 of

As the ^{possible} appointment of Mr. Pasupathi
will involve the payment of a higher
initial pay than the minimum
in the scale of Rs. 125-130-10-
250, the acceptance of the
Finance Dept is necessary.
~~to be approved~~. Before sending the file
to the Dept, the Director may
perhaps be asked to make a definite
offer to Mr. Pasupathi of the
junior Assistant's post and
report the result to the Govt.

A' Rs 150 - p. 4 of

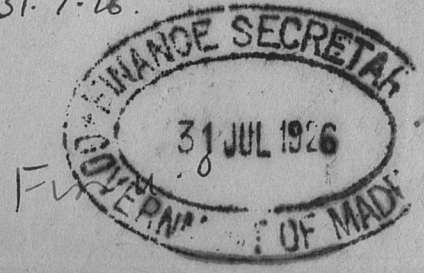

A draft D.O. is submitted for
approval. It may go to Finance for
acceptance.
