Station Ontacamund Dated the 9th August 1926

From (Name) Lieut-Col. J.P.Cameron, C.I.E., I.M.S.
(Designation) Inspector-General of Ref. Schools.

To The Secretary to the Government of Madras
Law and Education Department.

Sir,

I have the honour to solicit a reference to G.O.No. 1448, Mis., Education, dated the 30th July 1926, and to urge, once more, that for administrative reasons it is essential that a Gazetted Officer is put in charge of the Reformatory School, during the absence of the Superintendent on casual or very short leave. The disability put forward in the Government order that the Medical Officer is a touring officer has not so far affected the case of Central and District Jails, where the District Medical Officer, or his assistant, invariably acts for the Superintendent when the latter is absent for short periods. I cannot think why the same procedure should not be adopted at the Reformatory School, Chingleput,

(M)

1 mis. has been urged already - 10.8.26 (M)

where conditions are identical.

2. At the Borstal School, Tanjore, which is^a glorified Reformatory School, the Medical Officer of the School, invariably assumes charge when the Superintendent is absent for short periods and not the Deputy Superintendent or Senior Master.

I desire to further point out that during periods of absence on casual leave the Medical Officer would not be entitled to the grant of any allowance, and it is incorrect that I proposed the grant of an allowance on such occasions.

The grant of an allowance was proposed only when the Medical Officer officiates for the Superintendent when the latter proceeds on leave other than casual leave.

If this allowance is not to be authorized, as in Jails, it means that I shall have to find an officer from elsewhere to take charge of the School when the Superintendent proceeds on leave other than casual leave, as I am not in favour of the Head Master being in charge of for reasons already given.

3. In this connection, a reference is invited to the Resolution of the Second Conference of the Inspectors-General of Prisons -(Page 21)- dealing with Jailers --- acting for Superintendents for short periods of leave.

I have the honour to be,

Sir,

Your most obedient servant,

J. P. [Signature]
Lieut-Col, I.M.S.,
Inspector-General of Reformatory Schools.

4. [C-1853 B] From the J. G. of Ref. schools,
N. G. 643 & 9.8.26.

Attention is invited to the notes with G. 1448 & 30.7.26 in which the Govt., after full consideration, negatived the proposal of the J. G. that the D.M.O., Chingleput should be in charge of the Reformatory school during the absence of the Superintendent on leave for short periods. In his present letter the J. G. ^{asks for reconsideration} ~~has not addressed~~ ~~any fresh grounds for a reconsideration~~ of the orders. No change seems called for in the present system under which the head-master takes charge during the absence of the Superintendent for short periods.

Orders are requested.

U
I think the I.G.

I do not think we should overrule the I.G. on this point. He considers that the Headmaster is unfit to be in charge of the school when the Sup^t is away. The school is an important one and the I.G.'s view is that the D.M.O. should be in charge on such occasions.

~~The I.G.~~ It is only when the Sup^t is away on leave other than casual leave that charge all^{ce} need be paid. In such cases, additional exp^{re} will be incurred have to be incurred whoever is in charge.

We may accept the proposal.

The I. & Presses (and Law

(Edⁿ) support him) for a reconsideration

of the order in No 1448 Eng 30.7.26
which is based on finance notes at
pp 5 and 9 ibid. The points urged
are :-

- (i) At the Borstal Reformatory School Tangier
the Medical officer of the school ~~was~~
~~charge of the school~~ and
the Senior master or Dr. ~~Dr. ^{Dr.} ~~Dr.~~~~ assumes
charge when the ~~Dr.~~ is absent for
short periods.
- (ii) It is only when the Sup^t is absent
that additional expenditure will be necessary
for such additional expenditure will have
to be incurred whoever is in charge.
- (iii) The Headmaster of the Chingleput
Reformatory school in question is not
of gazetted rank, a rank considered
desirable in his discussions dealing
with the question of jailers
being appointed to officiate as Sup^t
for short periods.

2. The Head master is
a non-gazetted Govt servant in the
Educational Dept & the Sup^t
post is in the Jail Cadre. If the D.M.O.
is appointed for short periods & he goes
on then it may perhaps be assumed

In modification of
G.O. 1448 Dated (E.T.D), 30.7.26, the
Govt. approve of the pro-
posal of the J.G. of Refor-
matory schools that the
J.M.O., Chingleput, should be
in charge of the Reformatory
and Senior certified school,
Chingleput, during ^{the} absence
of the Superintendent on
~~annual leave or otherwise~~
~~average pay~~ for short
periods. They also sanction
the grant of a special pay

of Rs. 75 a month to the D.M.O.

while officiating as Superintendent
during the absence of the
latter on leave other than
casual leave.

3. The J.G. is requested
to submit to the Govt. the
necessary amendments to be made
in the rules issued under
the Madras Children
Act.
