P. T. RAJAN, Esq., BAR-AT-LAW, M.L.C.,
Secretary, Tamil University Committee

CAMP. Madras, 16/8/26.

To
The Secretary,
Law (Education) Department,
Fort St. George, Madras.

Sir,

I regret to have to state that no reply has yet been received to my letter dated 13-7-26, requesting permission for a select body from among members of the Committee to visit various centres to collect oral evidence and other necessary information. I hope to be favoured with a reply to this reference at an early date.

In the meantime, from a perusal of the replies to the questionnaire, so far received, I believe it will be useful and necessary to depute two members to visit the Oosmania University at Hyderabad, to study both the methods of work and the amount of success achieved. The enquiry will be specially valuable in view of the volume of opinion in favour of Tamil being adopted as the medium of instruction.

the opinion being based to no small extent on the work of the Oosmania University. I have to request you to get the sanction of the Government for the proposed deputation. In the event of the proposal commending itself to Government, a letter may have to be addressed to the Chancellor of the Oosmania University, requesting him to give necessary facilities to the members of the deputation. I shall be grateful for a reply at your earliest convenience.

I have the honour to be,

Sir,

Your most obedient servant,

P. T. Rajan
Secretary.

C.No.2635 C.

Letter from P.T.Rajan Esq., Bar-at-Law, M.L.C.,
Secretary, Tamil University Committee, Madura,
dated the 13th August 1926.

Permission to selected members of the Tamil University
Committee to visit Hyderabad for studying the
methods of work in the Oosmania University.

Paragraph 1 of the letter.

Orders on the letter referred to herein
have been issued - vide G.O.No. 1576 dated 18.8.26

2. Paragraph 2 of the letter.

One of the subjects referred to in the
questionnaire issued by the Tamil University Committee
is the place of Tamil in the curricula of studies of -
the suggested university.
Another subject is the question of making vernacular
the medium of instruction. From the Secretary's
letter it is observed that the proposed deputation of
two members of the Committee is with a view to ascer-
tain the methods of work adopted by the Oosmania Uni-
versity in regard to the imparting of instruction in
Urdu and the success achieved by that University in that
direction.

A short account of the origin of the Oosma-
nia University is given on pages 13-20 of the calendar
of that University for Fasli 1334 (October 1924-October
1925). It is therein stated that Urdu is the medium
of instruction and that English is taught as a compul-
sory language, the standard of English being nearly
the same as in other Universities. There is a Bureau
of Translation which issues text books for the Inter-
mediate and B.A. Classes. It is doubtful whether
it is absolutely necessary that members of the Committee
should visit Hyderabad to study the methods of work
adopted by the Oosmania University. The information
required may be gathered by correspondence with the

authorities of the University.

For orders whether the proposal will be accepted.

19.8.26, 20.8.26

The committee has been permitted to visit centres to take evidence. Two members may be permitted to visit the Cosmanian Elling, also. Professor of the Committee so desires it. It is presumed

that the proposal has been approved by the subcommittee at least.

Q
20/8

For the present, the Committee may ascertain the necessary information by correspondence. There seems to be no need for them to visit the Univ.
