Budget estimate for 1926-27 - Elementary Education Fund -
Madras Corporation.

R.O.P.No. 11 B-3/25-26, dated 28th July 1926.

Submitted.

The figures entered in the actuals of 1924-25 are found to tally with the audited figures of that year.

3. In G.O.No. 758 Mis., Law (Education) dated 11th May 1925 sanction has been accorded for the levy of Education cess. Therefore the credits taken for the proceeds of the Education cess in the Revised estimate for 1925-26 and the Budget estimate for 1926-27 may be allowed to stand. The sum of Rs.41,250 taken credit for in the Budget estimate for 1926-27, as Government contribution under section 37 of the Madras Elementary Education Act of 1920 will be liable to revision with reference to the proceeds of the Education cess actually realised in 1925-26.

4. The sum of Rs.20,360/- taken credit for in the Revised estimate for 1925-26 as Government contribution under the proviso to section 37 of the Madras Elementary Education Act of 1920 includes also the Government grant paid for 1924-25 in G.Os Nos. 1121 Law (Education) dated 10th July 1924 and 165 Law (Education) dated 5th February 1925. The credit (Rs.26,710) taken for Government contribution under the same item in the Budget estimate for 1926-27 may be allowed to stand with reference to G.O. No. 740 Law (Education) dated 30th April 1926.

5. While sanction was accorded for the levy of the Education cess in G.O.No. 758 Law (Education) dated 11th May 1925 it was ordered by Government that the corporation should contribute from its general revenues to the Elementary education Fund a sum not less than Rs.240,000/- This was also in accordance with clause (2) of the Resolution passed by the Corporation at its special meeting held on 20-1-25. As remarked

by the District Educational Council it is observed that the Corporation has reduced its contribution to Rs.2,26,000/- for each of the years 1925-26 and 1926-27. The Corporation may be directed to credit the full amount of its contribution as fixed by Government.

6. It is proposed to debit the cost of the following establishment to the Elementary Education Fund.

- (a) Educational officer on Rs.250-25-500
- Lady Superintendent of Rs.80-5-100-10-150
- Supervisor of schools Rs.65
- and 3 clerks on Rs.35-3-50-5-75.

(b) 3 Sub-Assistant Surgeons for medical inspection.

(R) According to the opinion of the Advocate General expressed in G.O.No. 106 Law (Education) dated 25th January 1926 sanction of Government is necessary to debit the expenditure to the Elementary Education Fund.

(W) (c) The post of the Educational Officer has been sanctioned by Government in G.O.No. 4308 L and M., dated 24th November 1925. The post of the Lady Superintendent and the Supervisor of schools have been sanctioned by the Corporation. Since compulsion is applicable to girls except Muhammadans, no objection need be taken to the creation of the post of the ~~Mr~~ Lady Superintendent. Further the Corporation is increasing the number of girls' schools under its management. The post of the Supervisor has been created consequent on the introduction of compulsion. It is stated that the Supervisor's post is sanctioned with a view to seeing that all children of school-going age are persuaded to be at school. In view of the introduction of compulsion throughout the city within a period of seven years the post may be allowed. At present there are 77 schools under the Corporation and 15 shhools are proposed to be opened in the current year. The number of teachers employed in the schools is 456 and 110 additional teachers are proposed to be entertained this year. The proposal to debit the pay of three clerks to the Elementary Education Fund is recommended in the case of the Corporation as a special case. The introduction of compulsion would necessitate

paragraph 12 given here No 4663 18-12-25

the maintenance of registers of children of school age. The meetings of the Attendance Committees and the Education sub committee of the Corporation will throw heavy work on the establishment.

(d) As regards medical inspection, the scheme is supported. In this connection attention is invited to my remarks offered on the administration report of the Corporation for 1924-25 G.O.No. 4663 L and M., dated 18th December 1925.

The Director of Public Instruction, Madras.

With reference to section 38 of the Madras Elementary Education Act, 1920, I have the honour to submit the Budget Estimate for the year 1926-27 showing the income and expenditure relating to the Elementary Education Fund under the control of the Corporation as passed by the Council at its meeting held on 31st March 1926. Provision has been made in the Budget for expenditure for the following items in addition to that made for the medical inspection of schools and the pay of the Educational Officer.

1. Pay of the Lady Superintendent.
2. Pay of the Supervisor of Schools.
3. Pay of additional clerk.

Ms 8-11 with

5-4-
✓ Owing to the increase in the number of Girls' Schools and to the opening of Schools for Muhammadan Girls, the entertainment of a Lady Superintendent was found necessary for supervising them. The appointment of a Lady Superintendent on a salary of Rs.80-5-100-10-150 was accordingly sanctioned by the Council. One will be appointed shortly.

3 Consequent on the introduction of compulsory Education in the City with a view to see that all children of school-going age are persuaded to be at school with the minimum of inconvenience to their parents and guardians, it has been found absolutely necessary to entertain a Supervisor of Schools in addition to the Educational Officer. A Supervisor on Rs.60-5-80 with a conveyance allowance of Rs.5/- has accordingly been appointed.

4 Owing to the increased number of the existing schools and to the proposal for opening new schools in the ensuing year, the services of an additional clerk has been found necessary. Provision has accordingly been made in the Budget for the pay of an additional clerk with typewriting and shorthand qualifications.

5 In the circumstances, I request that sanction may be accorded for incurring the expenditure on the objects mentioned above as required under G.O. No.106 Law (Education) dated 25th January 1926. P.1

I have the honour to be,

Sir,

Your most obedient Servant,

Forwarded.

meeting held on Thursday the 15th July 1926 and I am directed to forward the same to Government with the following Resolution unanimously adopted by the Council:-

"Resolved that the Revised Estimate, as well as the Budget Estimate be submitted to Government through the Director of Public Instruction calling the special attention of Government to paragraph 1 of G.O.No.758 Mis.dated 11th May 1925 whereby the Corporation is bound to contribute every year from its General Revenues to the Elementary Education Fund under its control a sum not less than Rs.2,40,000 whereas as a matter of fact, in the years 1925-26 and 1926-27 the amount contributed or proposed to be contributed has fallen short of the minimum thus fixed by Rs.14,000/-for each year and requesting that the Government will be pleased to call upon the Corporation to make good out of its general Revenues an aggregate of Rs.28,000/-to the Elementary Education Fund constituted under Sec.32 of the Act".

C. No. 2458 C - From the D.P.I., R.O.P. No. 11 B-3/25-26, dated 28-7-1926.

Budget - 1926-27 - Elementary Education Fund - Corporation of Madras.

When the levy of education tax in the City of Madras was sanctioned, the Corporation undertook to contribute every year Rs. 2,40,000 from its general revenues to the elementary education fund. Both the D.P.I. and the District Educational Council point out that the contribution from Corporation revenues for each of the years 1925-26 and 1926-27 has been reduced to Rs. 2,26,000 and that the Corporation should be asked to credit the full amount of Rs. 2,40,000 to the fund. It is however observed that the above observation ignores the contribution of Rs. 1,00,000 provided in the revised estimate for 1925-26 under 'Capital'. It seems sufficient to ask that the contribution for 1926-27 should be raised to Rs. 2,40,000.

2. L.S.G. has to offer its remarks regarding the credit taken in the budget estimate for 1926-27 for a loan of Rs. 1,00,000 ~~take~~ under 'Capital'.

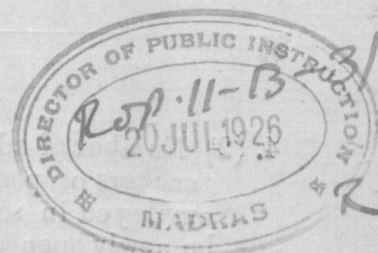

3. Provision is made in the budget estimate for 1926-27

- (i) for opening 15 schools containing the first five standards, and
- (ii) for employing 204 additional teachers, 110 in existing schools and 94 in the new schools ~~proposed~~ to be opened.

There is no proposal for revising the scale of pay of teachers.

3. In the circumstances stated by the D.P.I. in paragraph 6 of his Endt. sanction may be accorded to the debit to the elementary education fund of the pay of the following staff employed by the Corporation:-

- One Educational Officer on Rs. 250-25-500
- One Lady Superintendent on Rs. 80- 5-100-10-150.
- One Supervisor of schools on Rs. 65.
