Fostering of higher technical education.

* 1977 Q.—Mr. J. A. SALDANHA: With reference to the remark on page XXXVI of the Madras Administration Report, 1925-26, that "the functions of the department of Industries are mainly educational", will the hon. the Minister for Education and the hon. the Minister for Development be pleased to state—

(a) what steps Government have taken or contemplate taking in order to foster higher technical education than that given at present in this Presidency;

(b) what steps Government have taken or contemplate taking in order to afford technical education of an elementary character in mufassal towns and villages; and

(c) whether Government will be pleased to place before this House the details of any scheme they have got in view and the funds needed and likely to be available?

A.—(a), (b) & (c) The hon. Member is referred to the answer given to question No. 1383 at the meeting of the Legislative Council held on the 10th February 1926. The Government have not under consideration any proposals at present for fostering higher and elementary technical education.

Mr. J. A. SALDANHA.—"I want to know what is the actual number of apprentices trained and what the Government are going to do in order to train apprentices in all these institutions for the purpose of fostering technical education?"

The hon. Rao Bahadur Sir A. P. PATRO:—"I am not aware of such schools."

The final form of
the question and answer
was as above. The notes
