Department.

Sir,

I have the honour to submit with my remarks the resolutions passed by the Madras Non-Gazetted Educational Officers Association at the Seventh Annual Conference held in December 1925.

(2) (i) Clause (a) of resolution No.1. and resolution No.2:- As regards the grant of higher scales of pay for Deputy Inspectors and School Assistants, reference is invited to para 2 of my endorsement R.O.C.No.380 A- 25 dated 2- 11- 25, to my letter R.O.C.No. 380 A/25 dated 7- 8- 25 submitting revised proposals for the revision of the pay of the Subordinate Educational Service and to para 2 of G.O.No.2075. Law(Education) dated 5- 12-25 wherein Government have stated that the proposals for

ps-6

such revision are under separate consideration. I have also pointed out in another connection that the most pressing need is the removal of the bar at Rs.100 fixed in the case of School Assistants and recommended further that the question of increasing the number of selection grade posts be considered in view of the large number of school Assistants marking time at Rs.150

(ii) clause (b) of resolution No.1.

I have no remarks to offer. Please see in this connection para 13 of my endorsement R.O.C.No. 380 A/25 dated 2- 11- 25 disposed of in G.O.No. 2075 Law (Education) dated 5- 12-25.

(iii) Clause (c) of resolution No.1

There is no case for revising the pay of Pandits and Munshis (vide para 9 of my endorsement R.O.C No. 380 A/25 dated 2- 11- 25 and the orders passed by Government in the G.O. quoted above.

(iv) Resolution No.4:-

In their order No.1648 Law(Education)dated 20- 11- 23, Government expressed their inability to comply with the request of the Association for a further improvement of the pay and prospects of secondary grade teachers. I may however observe that the claims of deserving secondary grade teachers are likely to be considered for appointments as Junior Deputy Inspectors on Rs.50- 2 1/2- 75 per mensem. The question of the revision of pay of the above class of teachers need not therefore be pursued further at present.

(v) Resolution No.5(a):- Attention is invited to G.O.No. 208 Law(Education), dated 10- 2- 25 and No.2075 Law(Education), dated 5- 12- 25, I do not consider that the linguistic test can be dispensed with at present.

(vi) Resolution No.5(b) :- In the case of the Deputy Inspectors who could not prepare for the test for valid reasons, exemptions are granted if the

the circumstances are brought to my notice.

(vii) Resolution No.6. Buses ply only along main roads, while Deputy Inspectors of schools are expected to visit villages. I do not see any reason why Deputy Inspectors should find it difficult to maintain a conveyance, especially when good bicycles are available now at a very cheap rate. Temporary exemption from the rule in regard to the maintenance of conveyances is being granted at present in cases where difficulty is experienced in maintaining them on account of special conditions. I do not think that any permanent concession in this respect is called for at present.

(viii) Resolution No.7:- I agree to the terms of the resolution and recommend it for the acceptance of Government.

(ix) Resolution No.8:- I do not support the request contained in the resolution.

(x) Resolution No. 9. The question of pay of unpassed clerks has been settled in G.O.No.773 Law (Education) dated 3- 5- 26.

(xi) Resolution No.10:- It is not in all cases that the officers are required to part with the copy right. Each case is dealt with on its own merits. I am not prepared to go further.

(xii) Resolution No.11. As regards the pay of head clerks in the offices of the District Educational Officers and Inspectresses of Girls Schools reference is invited to my letter R.C.No.1034 A/25 dated 30-9-25 disposed of in G.O.No.1882 Law(Education), dated 31-10-25. The second clerks in the offices in question are in the scale of Rs.35- 60 (Mufassal) and 40- 65 (City) and it is neither desirable nor necessary to fix their pay at Rs.60- 4- 80 per mensem, vide also para 11 of my endorsement

endorsement R.O.C.No. 380 A/25 dated 2- 11- 25.

(xiii) Resolution No.12. Taking into account the responsible character of the work done by heads of clerks in colleges and also the fact that they are required to furnish cash security, I consider that all of them should be placed on the same footing ie on the scale of Rs.60-4-80 with an advantage of Rs.5 for the city clerks.

(xiv) Resolution No.13. Attention is invited to para 6 of G.O.No.1344 Law(Education) dated 6- 8- 25. I do not support the request contained in the resolution.

(xv) Resolution No.14. No remarks. I may however add that most of the points raised in the resolutions have either been disposed of or are already under the consideration of Government.

The Madras Non-Gazetted Educational Officers' Association.

SEVENTH ANNUAL CONFERENCE.

27th and 28th December, 1925.

RESOLUTIONS.

1. That the following representations be approved and submitted to Government:—

(a) Restoration of the scale of pay of Rs. 100-5-150-10-250 to Deputy Inspectors of Schools and School Assistants.

(b) Revision of pay of the Women's Branch of the Subordinate Service.

(c) Revision of pay of Pandits and munshis.

2. This Conference requests that when the general reorganisation of the educational services is undertaken by Government, the prayer of the Association for the grant of the scale of pay of Rs. 100-10-300 for Deputy Inspectors and School Assistants be considered and sanctioned, and that the same scale with the present rates of special pay be granted to the corresponding members of the Women's Branch.

3. That the memorandum submitted to His Excellency the Governor in November last by the members of the Subordinate Educational Service (Collegiate Branch) be adopted and submitted to Government with such verbal alterations as may be necessary.

4. That Government be requested to sanction, as a temporary measure, the immediate grant to Secondary Grade Teachers of the scale of pay of Rs. 40-80 and the grant of the scale of pay of Rs. 45-100 already prayed for by the Association, when the general reorganisation of the educational services is undertaken.

5 (a) That, in view of the fact that appointments are now ordinarily made on the linguistic basis and of the consequent difficulty experienced by Deputy Inspectors in acquiring the required proficiency in a second Vernacular, the Director be pleased to reconsider his decision and to recommend the abolition of the Linguistic Test.

(b) That, in view of the fact that Deputy Inspectors could not prepare for the Linguistic Test during 1924—25 owing to the heavy and urgent work of education survey which they were required to carry out in addition to their own duties, the Director be pleased to restore from 1st March 1925 the increments withheld from those who have not passed the Test.

6. That, in view of the fact that quicker means of public conveyance like the motor bus are now available in almost all parts of the Presidency and in view also of the difficulty experienced by Deputy Inspectors in maintaining a conveyance of their own with the fixed travelling allowance given to them, the Director be pleased to modify his orders requiring Deputy Inspectors to maintain a conveyance of their own.

7. That, as eight hours' absence from headquarters is not necessary for the inspection of or visit to schools in the vicinity of headquarters, the order regarding the calculation of tour days in the case of Deputy Inspectors be so modified that either six hours' absence from headquarters or four hours spent in the inspection of or visit to schools outside headquarters be counted as a tour day.

8. That all public holidays which are not also holidays for Muhammadan institutions be made partial holidays for the members of the respective communities on the staff of such institutions.

9. That, having regard to the fact that unpassed clerks holding permanent appointments and recruited before 1917 were considered superior to those recruited after that year and that consequently exemption from examination qualifications was dispensed with in the case of the former, while it was made obligatory for the latter and in view also of the fact that clerks of the latter class are permitted to draw their increments in the time scale of pay, the Director and the Government be pleased to declare the former class of clerks eligible for increment without exemption or, at least, to grant them exemption with effect from 1st March 1921, so as to enable them to draw the increments withheld from them.

10. That officers of the department be not obliged to part with the copyright of the works written by them for publication, as it forces them to sell their works for insignificant consideration and further hampers them from taking more freely and enthusiastically to the writing and publication of such works.

11. This conference reiterates resolution No. 14 passed at the extraordinary conference held on the 29th August 1925 regarding the grant of the scales of pay of Rs. 80—4—120 and Rs. 60—4—80 respectively to the Head and Second clerks of the offices of District Educational Officers and Inspectresses of Girls' Schools and requests the Director and the Government to sanction those scales at an early date.

12. This conference begs to represent that the scale of pay of Rs. 35—60 sanctioned for the Headclerks of most of the Government Colleges is too low and requests that, in view of the arduous and responsible nature of the duties attached to the posts and the large volume of financial and other transactions involved, the Director will be pleased to recommend and the Government to sanction the inclusion of these posts in the scale of pay of Rs. 60—4—80 as originally proposed.

13. That Deputy Wardens of hostels attached to Government Institutions be paid the same remuneration of Rs. 50/- per mensem irrespective of the fact whether the Deputy Warden is a member of the Madras Educational Service or Subordinate Educational Service.

14. This conference requests the Director of Public Instruction and His Excellency the Governor to receive a deputation from the Association.

the further ~~or recommendation~~ concession asked for by the Association. The remarks of the Finance department may be obtained on the request.

3. Resolution 12 runs as follows: --

"12 This conference begs to ~~xxx~~ represent that the scale of pay of Rs. 35-60 sanctioned for the Headclerks of most of the Government Colleges is too low and requests that, in view of the arduous and responsible nature of the duties attached to the posts and the large volume of financial and other transactions involved, the Director will be pleased to recommend and the Government to sanction the inclusion of these posts in the scale of pay of Rs. 60-4-80 as originally proposed".

At present except in the Presidency College ~~the~~ ^{training college} headclerks of colleges are given a pay of Rs. 35-60

in the mufassal and Rs. 40-65 in the City of Madras.

In connection with the general revision of pay of the subordinate services effected in 1921-22 the Director

had recommended that the headclerk of the Presidency

College ~~might~~ ^{might} be allowed a scale of Rs. 85-4-125. The

headclerks of other colleges being allowed Rs. 40-80.

Diwan Bahadur Ramachandura Rao, ~~the~~ ^{first grade} then Secretary, noted

that the usual sanctioned scale might suffice, taking

into account the responsible character of the work

done by headclerks in colleges and also the fact that

they are required to furnish cash security, the headclerks

of all colleges should be placed on the scale of Rs.

60-4-80 with an advantage of Rs. 5 for the city clerks.

~~to which the enhanced scale will have to be applied.~~

There are ~~eight~~ ^{eight} Government colleges and the proposal,

if approved, will result in an extra expenditure of

Rs. 2640 a year. For orders whether the recommendation

will be accepted. ~~Finance has to be consulted.~~

~~Director has apparently~~ ^{to bring this up as a point}

No. 1693, dated 3 . 9 1926

With the first of ~~the~~ ^{the} letters read above, the D.P.I. submits a copy of the resolutions passed by the Non-gazetted Educational Officers' Association at its seventh annual Conference held on the 27th and 28th December 1925 and commends for the favourable consideration of Government the requests contained in resolutions Nos. 7 & 12.

2. Resolution 7:- Definition of a
'day on tour' in the Madras Inspection
Code.

Rule 13 of the Madras Inspection Code provides that if a deputy inspector returns to headquarters on the day on

15-2
spent at least eight hours in the day out of headquarters. It is represented that as an absence of eight hours from headquarters is not necessary for the inspection of or visits to schools in

the vicinity of headquarters, the ~~rule~~ ^{rule} may ^{should} be modified so as to provide for the day being reckoned as a 'day on tour' if an officer has spent ~~at least~~ either six hours ~~in the day~~ out of headquarters or four hours in the inspection of or visits to schools outside headquarters.

The D.P.I. supports the suggestion and recommends that the following ~~rule~~ may be substituted for the second sentence of Rule 73 of the Madras Inspection Code:-

"If a Deputy Inspector returns to -
"headquarters on the day on which he
"went out, such day shall not be counted
"as a day on tour for the above purpose
"unless he has spent at least ~~either~~
"six hours in the day out of the head-
"quarters or four hours in the inspection
"of or visits to schools outside head-
"quarters".

The Government approve of the Director's recommendation.
