Salem, dated 14--8--26.

From

M. R. Ry., E. Subrahmanya Pillai Avl. B. A.,
President, District Educational Council,

To

The Secretary to Government,
Law (Education) Department,

M A D R A S.

Sir,

With reference to Your G. O. No. 1330/Misc. dated

13th July last, I have the honour to state that the Local Deputy Inspector of schools whom I consulted in the matter says that he has got only one peon, and that it will be impossible for him to spare his services whenever required. Besides he has to tour - about twenty or twenty five days in the month, and the peon will be an absolute necessity for him in his tour.

Owing to heavy work in connection with the work of despatching teaching grant cheques &c., I have employed a Masalachi on - Rs.6/- since 1st April last, and I propose meeting his pay for - the year from savings which I propose effecting under the heads of "Clérks & Servants" 'Miscellaneous' & 'Library Books & Maps' in the sanctioned Budget of the current year. I shall see that no additional expenditure is incurred in connection with the employment of the additional Masalachi. In these circumstances, I request that the Government will be pleased to approve of my action in the matter.

* Savings under these items could be utilized for the purpose.

I have the honour to be,
Sir,
Your Most Obedient Servant,

Elabharan
President.

In G.O. No. 1330, Law (Gov).

Of 13. 7. 26, the H. Ed. Councils were
permitted to employ a second person subject
to the condition that the additional
expenditure involved could be met
from the savings in the budget provision
for the pay of "clerks and servants".
The President, H. Ed. Council, Salem,
has employed in his office a masalchi
on Rs. 6/- per mensem from 1st April
1926, that is, before the issue of the G.O.
referred to above. He proposes to
meet the additional expenditure on this
account from savings to be effected by him
under the heads (a) "clerks and servants",
(2) "Miscellaneous" and (3) "Library Books
and Maps", in the current year's budget.
Utilization of the savings under items (2) and
(3) for this purpose is not admissible -
Vide also Finance Dept's note on page 67
of

of G.O. 1330, dated 13.7.26.

(G)

The additional expenditure involved by the employment of the masalchi in 1926-27 is Rs. 66/- and it will not be possible to meet this full amount from

6x11=66

the provision for 'clerks and servants' which represents the bare minimum required for the staff plus a leave allowance of Rs. 40. It is now for consideration whether

the President's proposal for utilizing the savings under "Miscellaneous" and "Library Books and Maps" will be approved as a special case, or whether an additional allotment under "clerks and servants" will be sanctioned.

The H.E.C. Councils have been specifically told that no additional allotment will be placed at their disposal on this account. - last sentence of G.O.

No. 1330, 13.7.26.

For orders. Finance should be consulted.

he may allow the cost to be met from 'miscellaneous' & 'clerks & servants' & not for library books & maps. Rs. 6 is not a living wage & obviously the masalchi is not a full time.
