Station Chingleput. Dated the 3rd August 1926.

From (Name) M.R.Ry., K. Venugopal Mudalyar Avl.,
(Designation) President Taluk Board, Chingleput.

To The Secretary to the Government of Madras,

Local Self Government Department,
Through the President District Board, Saidapet. Madras.
Sir,

The Government were kind enough to realloot the unspent balance of the Grant sanctioned in G.O.No. 3352 L & M, dated 17-9-25 for the improvement of village roads and water supply. Some more grant for the above purposes is also sanctioned this year (vide Government Memorandum No. 21226/A-1 C, L & M dated 23-7-26). But, for the payment of equal contribution by this Taluk Board, so as to avail of this opportunity, the funds of this Taluk Board are so limited, owing to the unexpected debit of Rs 15082/- given by the Accountant-General, Madras. There is no other go but to apply for a loan to meet the equal contribution to be spent by this Taluk Board. There was a surplus of Rs 47070/-

under Elementary Education Funds of this Taluk Board and this amount was invested in the Central Co-Operative Bank Ltd., -
 Conjeeveram with the sanction of the Inspector of Local Boards. The above investment including the interest accrued on it has amounted to Rs 49894/-. I propose to take a loan of Rs 10000/- from the above investment at 6% interest for meeting the extraordinary expenditure referred to above. As I understand that the land cess of Rs 15082/- wrongly recovered from this Taluk Board will be refunded by the Board of Revenue very shortly, - the loan applied for will be repaid to the credit of Elementary Education Funds very soon. As the winter is fast approaching and as this is the best season for carrying out the water supply works, I request the favour of Government to sanction the loan applied for, from Elementary Education funds so as to enable this Taluk Board to attend to the ponds and well works at once.

I have the honour to be,

Sir,

Your most obedient servant,

K. V. Ramani
 President.

- (1) In G.O. no 924 L.E.D. 2.7.23, the Govt permitted the Municipal Council, Conjeeveram, to divert temporarily for general municipal purposes a sum of Rs 9,500 from the E.E. fund under the Council's control. The question whether interest should be charged in such cases was fully discussed in the notes to that effect.
- (2) G.O. Again in G.O. no 241 L.E.D. 15.2.26 a similar diversion was permitted by Govt in the case of the Skunkari Taluk Board.

2. Under Section 33(1) of the E.E. Act, 1920, the surplus in the E.E. fund ^{should be lodged} ~~can be invested~~ in any bank or Govt Treasury as the Govt ^{might} ~~may~~ direct. The Act does not contemplate the investment of such surpluses in short-term loans to a local body with or without interest. But there is nothing in the Act expressly prohibiting such temporary diversions. The Advocate-General has in another connection held that ^(such as) the provisions of the Local Boards Act as are not inconsistent with the ~~express~~ provisions of the E.E. Act and the rules thereunder, are applicable to the E.E. fund. If temporary diversions from earmarked funds such as water ^{supply} and drainage fund etc, are permissible under the Local Boards Act, similar diversions can also be sanctioned from the E.E. fund. ^{May L.E.D. be considered} ~~whether it is legal~~ legal opinion has been taken ~~whether it is legal~~ on this subject and if so, temporary diversions from the ~~water supply~~ ^{water supply and drainage funds} to put up the papers on the subject for reference.
