Sir,

Adverting to Government order No.Misc.915 dated 18th May 1926, I have the honour to state as follows:- The Collector of Cuddapah in the Demand Collection Balance statement furnished by him has shown a sum of Rs.4048 as collections during the year 1925-26 towards Education cess. But no amount was adjusted to the credit of this Taluk Board before the close of March last. The Collector of Cuddapah who was addressed on the subject informs me that the amount shown by him in the Demand Collection ~~statement~~ Balance statement represents the actual collections made in the year 1925-26 from 1-7-25 the beginning of fasli 1335 and that the actual amount collected on behalf of this

Board under the said tax has been included in the monthly statement of cesses forwarded to the Treasury Deputy Collector Cuddapah from January 1926 onwards. He also further states that the Treasury Deputy Collector has communicated the total figures to the xxxxxxxx Accountant General and the latter officer would make necessary adjustments in his March final account. Copies of my letter Ref.No.461 T.B. of 26 dated 1-7-26 and reply of the Collector of Cuddapah L.Dis.No.1990-26 dated 16-7-26 are herewith forwarded for favour of kind perusal.

p.c. 22 infra

p.c. 23 infra

2/. I have the honour xxxxxxx therefore to request you to authorise the Accountant General to adjust the amount of Rs.4048 in xxxx 1926 March final account and to pay the equivalent Government contribution in the current year at an early date.

The tax was Sanc'd only on 8-1-26 (vide G.O. 35 L.E. of 8-1-26) No amounts could therefore have been collected & adjusted before 31-3-26

I have the honour to be,

sir,

Your most obedient servant,

N. Rama Rao

Vice President.

J.G.C.23-7-26.

Whatever amount is actually adjusted in 1926-27 will bring in an equivalent contribution only in 1927-28. The A.G. cannot be asked by Govt. to credit to the taluk board Rs4048 without having before them the collector's report as to the amount of education tax that could be collected on behalf of the board. The collector will in due course intimate to the Treasury officer & the A.G. the amount that should be credited to the board. There is no reason why Govt. should unnecessarily interfere in the matter. In any case no amount was, according to the board's own report, actually adjusted in 1925-26 & so no equivalent contribution can be paid in 1926-27. (The tax was Sanc'd only on 8-1-26 & in the ordinary course ~~it could~~ the collector can begin to collect only in 1926-27).

23.7.26.

Copy of letter Ref.C.No.461 T.B. of 26 dated 1-7-26 from the President Taluk Board Proddatur to the Collector of Cuddapah.

With reference to the Demand Collection Balance statement of Land cess and Education cess forwarded with you Pdl0-136 of 26 dated 16-6-26, I have the honour to observe that out of a sum of Rs.4373 shown as Demand against Education cess during 1925-26, a sum of Rs.4048 was entered as collections during 1925-26. But no amount has been adjusted xx till now to the credit of Ele.Education account as to enable me to claim equivalent amount as contribution from Government.

2/ From the same Demand Collection Balance statement it is observed that a sum of Rs.1200 was entered as demand for 25-26 under Education cess against Rajampet Taluk Board and Rs973 was also entered as collections during the year. But from G.O. No.915 Law Education dated 18th May 26 a copy of which was also communicated to you a sum of Rs.1200 was sanctioned to that Taluk Board in respect of Education Tax collected in 1925-26 while Rs.973 were shown as actual collections during 1925-26.

Ⓗ

3/ I have the honour therefore to request you to let me know at a very xx early date the actual amount of Education cess collected during 1925-26 in the jurisdiction of this Taluk Board comprising of Proddatur and Kamalapuram Taluks to enable me to address the Government for the adjustment of the equivalent amount. The actual collection is also required for the preparation of the administration report for 25-26.

A very early reply is requested.

23.7.26.

Copy of letter L.Dis.No.I990-26 dated I6-7-26 from the Collector of Cuddapah to the President Taluk Board Proddatur.

The figures in column ~~af~~ 7 of the Land Cess Demand Collection Balance statement communicated with this office Pdl.No.I36 of 26 dated I6-6-26 represent the actual collections made in the year I925-26 from I-7-25 the beginning of fasli I335.

2/. According to G.O.No.2636 L & M dated 23-II-23, it is in the month of March every year that the amounts which should be credited monthly to each Local Board, in the following year ~~x~~ under Education Cess etc., should be communicated to the Treasury Deputy Collector, the Accountant General and the Presidents of Local Boards. As the G.O., sanctioning the levy of Educational Tax in Proddatur Taluk Board was received in January I926 no amount was shown as being creditable under Education cess in I925-26 to Proddatur Taluk Board in the return ~~xxx~~ prepared in March I925. No monthly credit was ~~x~~ therefore given in I925-26 to the Proddatur Taluk Board under Education cess. Any how, the actual amount collected on behalf of the said Board under the said ~~kaxm~~ tax, has been included in the monthly statements of cesses forwarded to the Treasury Deputy Collector Cuddapah from January 26 onwards. The Treasury Deputy Collector has accordingly communicated the total figures to the Accountant General who will, it is believed, make necessary adjustments in his March final account.

3/. Based on the annual estimated receipts, the Treasury Deputy Collector was, in this office Pdl No.I36 of 26 dated I7-3-26 (Copy of which was communicated to you) instructed to credit to the Proddatur Taluk Board a sum of Rs.350/- every month under Education cess during the current year.

Sir,

A sum of Rs 11676-12-0 was collected under Education Tax during the year 1925-1926. The treasury account for march 26 shows only Rs 6676-12-0. A sum of Rs 5000/- was deducted in the total collections being excess credit made in the previous years. Hence an equivalent grant of Rs 11676-12-0 may kindly be got adjusted at an early date.

~~This amount need not now be paid. It may be left to the local body to come up to Govt.~~

It will be sufficient to pay now Rs 6676-12-0 & the balance may be paid after the accounts are audited if the Examiner certifies that the board is entitled to an addl contribution of Rs 5000

I presume that an equivalent excess grant contribution was paid last year.

With reference to para 4 of G.O.No. Mis 915 dated the 18th May 1926, I have the honour to state that the levy of Education Cess in ~~gK~~ this Taluk Board with effect from 1st July 1925 was sanctioned in G.O. No. 299 dated 26-2-25. The Collector, Kistna in his L.Dis No. 8-6927-25 dated 29-6-25 said that no advance was being made on account of Education Cess in that year. Thus nothing was actually adjusted to this Board before 31-3-26. Now the Collector

in his D.Dis No. 2485-26 dated 13-4-26 copy enclosed advised the Treasury Deputy Collector, to adjust ~~the~~ monthly, a sum of Rs. 570/ on that account during the current year. This will amount to Rs. 6840 a year. I request to kindly obtain the sanction of the Government to adjust a similar amount of contribution, to this Board for the current year 1926-27. Since this is the first year in which the Education ~~Tax~~ Cess is being adjusted no certificate about the actual collections ie, the previous year cess be granted by me as required in para No. 2 of G.O. Sir,

In their order No. 801 Law (Education) dated 14th May, 25, the Government were pleased to sanction an amount of Rs. 12,329 being the advance of 75 % of Government contribution to this Taluk Board under section 37 of the Elementary Education Act for 1924-25. The said amount was got adjusted to the credit of this Taluk Board funds already on 20-7-25. An amount of Rs. 16,026-9-9 was collected towards Educational Cess for 1924-25 and a sum of Rs. (16,026-9-9 - 12,329) = Rs. 3,697-9-9 is still due from Provincial funds towards the remaining 25 % Government share of equavalant contribution for the aforesaid year. When the Accountant General, Madras, was addressed in this Office R.C No. 154/Sup. of 25 dated 2-2-26 and 24-2-26 respectively on the subject to arrange for the early adjustment of the subsidy still

Subsequently, the Accountant, General, Madras, issued instructione to the Treasury Deputy Collector, Kistna, to credit provisionally Rs. 16000/- to this Taluk Board funds on account of Education Cess for 1924-25 and the Treasury Deputy Collector, Kistna, adjusted the said amount in March 1926 last. Sir,

With reference to your paragraph 4 of G.O.No.Misc.,915, L & E., dated 18-5-26 regarding the sanctioning of grant under section 37 in respect of Education Tax collected in 1925-26, I have the honour to inform you that as per account received from the President, District Board, Madura, for March 1926, a sum of Rs.8388/- only has been credited under Education Tax for 25-26; but the Collector of Madura who was addressed on this, says that Rs.8714/- (including Rs.3/- arrear collection) was actually realised

Sir,

I have the honour to submit that the 75% of the Government contribution payable under section 37 of the Madras Elementary Education Act for the tax collected in 25-26 has not been paid to this Taluk Board as yet. Generally this amount used to be adjusted to the credit of the Board in previous years not later than the month of June. The balance under Elementary Education Fund at the end of July is only Rs.500/-. With this amount it is not possible to meet the current months demand. If the contribution noted above is not paid without further delay, I fear that the payment of salaries due to the teachers of elementary schools for July last will have to be deferred. This will be no doubt a great

In these circumstances I pray that the Government will be so pleased as to order adjustment of this amount at the Malabar Treasury by a wire.

MADRAS. Law (Edn)

Sir,

With reference to Government Order No. Mis 915 Law (Edn) dated 18-5-26 I have the honour to report that a sum of Rs 3067-10-5 has been actually collected as Education Tax during the year 1925-26. The figure for 1924-25? or 1925-26? adopted has been duly audited. Since Government have paid an advance contribution of Rs 2007 during the year under report, there still remains Rs 1060-10-5½ to be paid as equivalent Government contribution under section37 in respect of educational tax collected in 1925-26. I have therefore the honour to request that you will kindly obtain the sanction of Government for payment of the balance at a very early date.

In 1924-25 the M.C. collected Rs 3168-10-7 (not 3067-10-5½) Rs 2007 was paid as advance in 1925-26 & the balance of Rs 1161-11-0 was already paid in G.O. 1570 of 7-9-25. If the fig now reported viz Rs 3067-10-5½ represents the tax collection in 1925-26 then the whole of that amount & not only Rs 1060 as suggested by the M.C. will have to be paid now. With reference to G.O. no. 801 dated 14-5-25 the advance contribution of Rs 2007/- referred to in my letter No. 1453/26 dated 1-6-26 pertaining to the year 1924-25. It was wrongly presumed that the amount of Rs 2007/- adjusted in 25-26 was an advance for the tax to be collected in 25-26. The total education tax realized owing the year 1925-26 is Rs 3067-10-5½ (audited). Since no advance contribution has been received from Government during the current official year, the ~~equlent~~ equivalent contribution due from Government for 1925-26 is Rs 3067-10-5½ and not 1060 -10-5½ as reported previously.
