INSTRUCTIONS.

With the cognizance of the head of his office, or if he is himself the head of the office, or the head of his department, the applicant must present himself with three copies of the statement of his case in a cover sealed by his medical attendant at the seat of the Government under which he is serving, or at such other place as may be appointed by that Government where a committee of medical officers can be assembled under the orders of the Surgeon-General. The Board should see that the applicant fulfils these conditions.

Before deciding whether to grant or refuse the certificate the Medical Board may, in a doubtful case, detain an applicant under professional observation during a period not exceeding fourteen days.

If it can be avoided, the medical attendant on a case should not be a member of the Board which considers it, and under no circumstances can he sit as president. He should, however, be required to attend the Board to furnish any information whenever his presence is considered necessary.

The Medical Board, after a careful examination of the officer, and consideration of the medical attendant's statement of the case, will record in the proceedings as follows:

- Whether change of climate in or out of India is necessary.
- The period of absence recommended in or out of India, care being taken that leave in excess of the period to which the sick officer is entitled by regulations is not recommended.
- In the case of an officer requiring furlough or leave of absence owing to illness caused directly by intemperance, the Medical Board, whilst recording their opinion, will confine their recommendation to the officer appearing periodically before fresh Boards, or to the treatment of the case as one of discipline, whichever may be deemed necessary.

In urgent cases when a Medical Board considers it absolutely necessary that an officer recommended for change of air, either in or out of India should proceed in anticipation of sanction, a recommendation to that effect should be made in the proceedings.

12-AUG-1926

With reference to your telephone message regarding Mr. D'Cruz, I beg to forward herewith the necessary particulars.

Mr. D'Cruz took his B.A. (in the Madras University) in 1917 (Literature, History and Economics) and passed his teacher's test in School Management and Art of Teaching in 1919. He has been on the staff of this School since 1922, and the Headmaster reports that his work is quite good and that he takes a real interest in it. He is keen on sports, and in other general activities of the School. He is an excellent cricketer, plays hockey well, and is generally interested in games. He tells me that he has been reading a good many books and Journals on Industrial Schools and Methods of Teaching and Organization in such Schools, which shews that he is keen on the work.

I can recommend him as likely to do well.

To,
The Secretary to Government,
Law (General) Department.

In the recommendation roll below it is proposed that Mr. J.F.C.D'Cruz who is employed in the Lawrence Memorial School should be appointed as acting Superintendent of the Junior Certified School, Ranipet, and that when the Certified School for the Telugu districts is opened, he should be transferred as Superintendent of that school. The post of Superintendent of the Ranipet school is included in the cadre of Superintendents of Dt. Jails (Pay Rs.400-20-500). The same rate of pay was proposed for the school to be opened in the Telugu districts. The Finance Committee recommended only a scale of Rs.300-20-500 for the post. Orders sanctioning the employment of the staff for the proposed school have not yet been issued since the location of the school is still under consideration. When orders sanctioning the establishment of the school are issued the pay of the post of Superintendent will be fixed at Rs.300-20-500. As acting Superintendent at Ranipet Mr.D'Cruz may be allowed to draw any pay ~~not~~ not exceeding Rs.400, the minimum pay of the post. If he is allowed to draw pay at Rs.400, it may not be possible to continue this rate when he is appointed ~~for~~ as Superintendent of the new school to be opened in the Telugu districts. It is therefore for consideration whether his pay at Ranipet should be fixed at Rs.300. It may also be desirable to ascertain whether he will accept this pay.

Mr. D'Cruz applied for an appointment in the Educational Department in 1924. Please see papers with G.O.No.491 dated 3-4-24.

M^r. D'Cruz appears a suitable ~~man~~ (2) man for the post. He may be appointed on Rs300 so that after 6 months at Ranipet he may go on to Ray on Rs 300-20-500 the sanctioned H. & the Govt. (see recommendation roll below) scale VTK 11.8

My dear Cameron,

Please refer to your recommendation roll, No.G.650 of the 9th instant, regarding the appointment of ~~Mr. J. F. C. D' Cruz~~ Mr. J. F. C. D' Cruz as acting Superintendent, Junior Certified School, Ranipet, during the absence of Mr. L. de Haas on leave.

~~Now~~ you have proposed that ^{when} the certified school for the Telugu districts is opened Mr. D' Cruz should take charge of that school. It has been decided to fix the pay of the Superintendent of the new school at Rs.300-20-500. The Govt. consider that, as acting Superintendent of ~~the~~ Ranipet school, Mr. D' Cruz should draw pay at Rs.300 a month so that when he is transferred to the new school he may be placed on the scale of Rs.300-20-500.

I am to request you to ascertain and report whether Mr. D' Cruz is prepared to accept the appointment on the above terms.

Office of the Inspector-General of Prisons,

My Dear Krishnamachari,

My recommendation roll, No. G/650, dated the 9th August 1926 - Your D. O. No. 1852 B-1, dated the 27th August 1926 in this connection.

Mr. D'Cruz is prepared to accept the appointment on the terms proposed - viz., Rs. 300-20-500. As acting Superintendent of the Ranipet School he will draw Rs. 300/- per mensem.

2. Mr. D'Cruz is at present visiting the Borstal School and the Reformatory School, in order to gain some idea of his duties before he goes to Ranipet. He is undertaking this at his own expense. Mr. de Haas is appearing before the Medical Board on the 4th instant, and I rather fancy the Board will uphold the recommendations of the District Medical Officer, North Arcot.

3. Can you let me know as early as possible about the opening of the Rajammundry School, as I have to make arrangements for selecting staff, equipment, etc. I would like, if possible, to open the School on the 1st October 1926, as there is a fair amount of spade work to be done before it is running smoothly.
