Department.

Sir,

In submitting herewith letter R.O.C.No.G.O.13/T.B
of 26 dated 5- 7- 1926 addressed to me by the President,
Taluk Board, Coimbatore I have the honour to state that
the amount of subsidy promised in respect of the 5
buildings which are reported to have been completed is
Rs. 3600. It will be observed from the statement
enclosed with the President, Taluk Boards letter that the
actual cost of the construction of the 5 buildings has
exceeded the estimated cost as shown in G.O.No.739-
Law(Education) dated 30- 4- 1926 except that of the
Ondiputhur school. The excess expenditure incurred on
the works will have to be met by the Taluk Board. A

half

sup: 2 of 8000

estimated cost: 8000

expenditure: 9581

half grant of Rs.500 was sanctioned in respect of the Ondiputhur school building but the actual cost of construction of the building is reported to be only Rs.950. Therefore the amount of grant that is payable towards the cost of construction of the building is only Rs.475 against Rs.500 promised by Government. Hence the total amount that is payable in respect of the 5 buildings in question is only Rs.3575. I recommend that this amount may be paid during the current year from the current years' budget provision of Rs.71900 under "31 C(c) Education- Primary- grants to local bodies for Primary education- Grants-in-Aid -general- voted non-recurring- buildings".

2. It is reported that the accommodation provided in all the 5 buildings is suitable and adequate.
