2. In a thickly populated municipality like Srivilliputhur, it would

be unworkable to enforce free and compulsory education unless the finances of the Municipality are heavy. There might be compulsory education without being free. Many rich parents are rich and will not grudge paying the small Ed. Allowance. Unless the general revenues and expenditure of the Municipality are known, it is not possible to offer any opinion as to the enforcement of compulsory education. The boys & girls that will have to be educated must also be made known.

3. Unsurprisingly, the town does not appear. The general revenues & expenditure must be known to find out
