Sir.

In submitting herewith a copy of letter R.O.C.No. 86/25 dated 22-9-25 from the President, District Educational Council, the Nilgiris I have the honour to state that even prior to the constitution of the District Educational Council liberal treatment was shown to the Nilgiris District in respect of the payment of teaching grants. After the constitution of the District Educational Council the amounts required for the disbursement of teaching grants are placed at the disposal of the District Educational Council. In 21-22 a sum of Rs.20,315 was paid to the council with reference to the actuals of the previous year and also to meet

27-9-21

① meet the additional requirements. In 22- 23 the council demanded a sum of Rs.35,000 ~~ie.~~ nearly an increase of 75 per cent over the amount paid in 21-22, but a sum of Rs.25,115 only was paid.

2. In 23- 24 recommendation was made to Government in this office letter R.C.NO.370 B/22 dated 28- 5- 23 disposed of in G.O.No.955 Law(Education) dated 7- 7- 23 that the scale grants in the Nilgiris and in the Wynad may be fixed at 50 per cent higher than that applicable throughout the rest of the Presidency. The District Educational Council in 23-24 demanded a sum of Rs.29,459 which was arrived at by calculating the assessed grant at 50 per cent higher than the usual rate and adding to it 20 percent of the assessed grant for efficiency. Since the amount claimed by the council represented an increase of 17 per cent of the amount paid in 22- 23, the entire amount was recommended to Government and sanctioned in G.O.No.1485 Law(Education) dated 22- 10- 23.

① Therefore in 23- 24 the calculation of the assessed grant at 50 per cent in excess of the scale grant has been admitted. In 24- 25 an increase of 2.7 per cent of the previous years' allotment was allowed against the councils demand for an increase of 24 per cent. Similarly in 25- 26 an increase of 1.4 per cent over the previous grant was allowed against the councils demand for an increase of 9.8 per cent. Therefore in all these years an increased grant has been allowed to the council.

① 4. The amount required to meet the extra cost on account of the revision has been calculated at the scale grant without any special treatment to the Nilgiris and a sum of Rs.3,240 has been paid in G.O. No.1823 Law(Education) dated 20- 10- 25. In view of the orders contained in G.O.NO.955 Law(Education)

Education) dated 7- 7- 23 and as the question of expansion of elementary education is being considered at present and as the question of expansion involves also the policy of encouraging aided agency, I recommend the payment of an additional amount of Rs.1,620 to the Nilgiris District Educational Council to enable the council to meet the extra cost if the assessed grant in the revised scale is calculated at 50 per cent higher than the scale grant. The mission bodies mainly represent the aided agency in the District and the schools under their control are well conducted. Further the case of the aided schools appears to come under para 4 of rule 2 of the rules drawn up under Section 42 (2) of the Madras Elementary Education Act of 1920.

5. The expenditure can be met from the savings available in the modified grant of Rs.34.7 lakhs (Rs.30,19,000 plus the additional allotment of Rs.4,50,076 G.O.No.745 F dated 8-9-25) in the Civil Budget Estimate for 25- 26 under 31 C(e) Education- Primary grants to local bodies for Primary Education (ii) District Educational Councils- Grants-in-Aid - Educational- voted- recurring -Teaching".

Remarks:- Col. 3 represents the actual number of teachers who were employed in the schools. In some of the schools there were many changes in the staff. For the same year in one and the same class more than one teacher is accordingly shown though each teacher worked only for part of the year.

Column 4 however represents the correct amount of grant calculated according to the qualifications and periods of service of the teachers. The accounts were audited by the Examiner of Local Fund Accounts and found correct. Figures shown in Col. 4 may therefore be accepted.

Law (edu) Department
 Subject: - D. E. C. the Nilgiris - Additional funds under "teaching grants"

In G.O. No. 1550 dated 4-9-1925 the scale of teaching grants to aided elementary schools was enhanced. In G.O. No. 1823, dated 20-10-25, a sum of Rs 3,240 was placed at the disposal of the D.E.C., the Nilgiris, to meet the increased expenditure due to the revision of the scale of grants. The D.P.I. states that the above sum was calculated on the scale of grant applicable to all schools. In the case of schools in the Nilgiris, it is usual to allow 50 % increase on the rates admissible to schools in the plains. The statement is also supported by the figures given on page 8 of c.f. The D.P.I. accordingly recommends that an additional sum of Rs 1620 may be placed at the disposal of the D.E.C., the Nilgiris, in order that there may be no reduction in the grants admissible as hitherto assessed. The Director's recommendation may be accepted. A draft order is submitted. It may be sent to Finance for acceptance.
