U.O.Reply No. 53 C/24-10-25

The resolution forwarded for my remarks with the U.O.note speaks about an order replacing permanent attenders and peons in the offices of the Deputy Inspectors of schools in Kurnool district by ex-army men. No such order relating to the attenders and peons of the Deputy Inspectors of this district has been issued. Possibly the Hon.Member refers to a general circular R.C.No.2368 C/24 dated 28th April 1925 which was issued by this office in connection with the question of the confirmation of persons not being ex-army men who were entertained after 8-4-1918 contrary to the orders contained in G.O.No.1358 Revenue dated 8-4-18 and G.O.No.319 Public dated 8-4-1922.

Last April papers were submitted by my office regarding the confirmation of attenders and peons in various subordinate offices. In the Revenue G.O.quoted above Government had ordered that all appointments on a pay not exceeding Rs.15 from that date onwards and for the period of the War should be only temporarily filled up

Resolution

filled up with a view to reserving such posts for men who enlisted for War service. The period of reservation was subsequently extended in G.O.No.254 Revenue dated 4-6-1919 for one year after the declaration of Peace in order to cover the time of demobilisation. Again G.O.No.319 Public dated 8-4-1922 followed by other orders was issued. In spite of these orders and their communication to the subordinate officers I found that attenders ~~xxxx~~ who have rendered no Army service have been appointed by subordinate officers and I was not satisfied that sufficient care had been taken in many cases to ascertain whether it was possible or not to get ex-service men fit for attenders' posts. I therefore issued the circular to which I have alluded to above. This circular runs as follows:-

(Please vide the copy attached).

p-5 info

It will be observed that the circular does not require the replacement of all permanent attenders and peons immediately. All that the subordinate officers have been asked to do therein is that they should ascertain whether or no ex-service men were available and if such men were available to replace the most junior acting men by ex-army men. This order was issued because it was considered that the intentions of Government regarding the entertainment of ex-army men had not been carried out and because I considered it necessary to satisfy myself that every effort had been made to secure ex-service men before permitting confirmations of attenders to be made.

May be circulated to M₂ who will presumably

take charge of the Resolution.

PROCEEDINGS OF THE DIRECTOR OF PUBLIC INSTRUCTION.

Ref. on C.No. 2368 C/24, dated 8th September 1925. (S)

Read Proceedings R.O.C.No. 2368 C/24, dated 28th April 1925

On a perusal of the reports received in reply to the Proceedings read above, it is observed that the work of some attenders etc who were entertained prior to 6th April 1918 but remain still unconfirmed, is mentioned as only "Fair or not satisfactory. They should therefore be replaced by ^{men} better/if possible, confirmation being taken up only in respect of the fit men.

Regarding these and all the others, the undermentioned officers are requested to be good enough to make a further attempt by a reference to the local District Soldier's Committee to secure the services of Exwar men for all the posts on less than Rs 35 which fell vacant from 6th April 1918 and if the attempt is not successful to furnish a certificate to the effect that it is found impossible to get exwar men fit for the posts in question especially for the attenders' posts. ^{Then} ^{can} only ease the continuance of the confirmations already made after 6-4-1918 and fresh confirmation of acting men be considered. Reports should also be made of the various steps taken to secure the services of Exwar men. In cases where exwar men can be got the most junior acting men must be replaced.
