To The Secretary to the Government of Madras

Law(Education)

Department.

Sir,

In G.O.No.1009 Educational Mis dated 16-9-15, Government ordered the inclusion in ^{the} Public Instruction Report of the details regarding the annual expenditure on Educational buildings ^{shown in} statement 21 of ^{the} supplemental statistics forming Part I of Volume II of the Public Instruction Report. This statement was prepared from ^{the} details of expenditure from P.W.D funds on the several Government Educational buildings in the Presidency furnished by the Accountant General before the 15th August of every year. The Accountant General now states in his letter No.665 W.M 6/30 of 1925-26 dated

25-11-25

13 infra

25-11-25(copy enclosed), that as a result of the changes introduced in the method of booking of expenditure in the audit registers of his office, difficulty is experienced in forwarding to this office expenditure on Educational buildings individually; he further states that only totals can be furnished under the following headings:-

1. European and Anglo-Indian;
- and 2. Other than European and Anglo Indian
- a) University, (b) Secondary (c) Primary,
- d) Special and (e) Miscellaneous.

As it is found from experience that no use is actually made in this office of statement 21 in question, I submit that it would be enough if details are given under the headings stated above in respect of Government buildings, ^{only} retaining the present form of the table for aided institutions.

I have the honour to be,

S i r,

Your most obedient servant,

W. C. M. S.

Copy of letter No.665 W.M.6/30 of 25- 26 dated 25th November 1925 from the Accountant General, Madras To The Director of Public Instruction, Madras.

I have the honour to enquire if the statement showing expenditure incurred every year by the Public Works Department on Educational buildings workwar, which is submitted to you annually by the 15th August for the official year, is absolutely necessary for the purpose of the administration report of your department and if it cannot advantageously be dispensed with.

2. As a result of the changes introduced in the method of booking of expenditure in the audit register in my office the progressive expenditure during the official year on each work is not now recorded, and difficulty is therefore experienced in furnishing you with the expenditure during the year on educational buildings individually. Figures under the following detailed heads viz.

(1) European and Anglo Indian and (2) Other than European and Anglo Indian sub-divided into

I University

II Secondary

III Primary

IV Special and

V Miscellaneous ~~can~~ can be readily furnished and I trust these will suffice for the purposes of your administration report.

3. I shall be glad to have your reply at an early date.

C.No. 4851 A - From the D.P.I., No.239/F/25, dated 16-12-1925.

Subject.- Statement 21 of Part I of Volume II of the Public Instruction Report.

In 1915, the Right Hon'ble V.S.Srinivasasastri moved a resolution in the Legislative Council recommending that, in the Public Instruction Report, a statement be embodied showing how the amount spent every year on buildings from Provincial funds was actually distributed among the different institutions. As a result of the discussion in the Council on this subject, the Government ordered the inclusion of statement 21 of the supplemental statistics in Volume II of the Public Instruction Report.

2. In the circumstances stated in the Accountant-General's letter on page 3 c.f. the D.P.I. proposes that, in future reports, it will be sufficient to show only the totals under the following heads so far as the Government institutions are concerned.

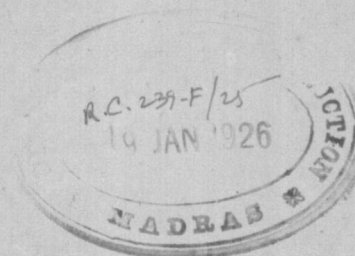

1. European and Anglo-Indian; and
2. Other than European and Anglo-Indian
 - (a) University (b) Secondary (c) Primary
 - (d) Special, and (e) Miscellaneous.

3. Statement No. 21 gives details for each institution under: (1) School buildings, (2) Hostel buildings, and (3) Play grounds. The D.P.I. may be requested (U.O.) to state whether separate totals for Government institutions will be given under the above heads. He may be requested to forward a specimen of the new form which it is proposed to adopt.

In the Specimen form shown on p. 2 ante No separate figures are given under the heads (1) School buildings (2) Hostels buildings and (3) playgrounds. From the concluding sentence of the D.P.D.'s letter on p. 2 as et. it will be seen that such details will continue to be shown in respect of aided institutions. The D.P.D. may perhaps be asked to state whether it is necessary to show such details in the case of ^{aided} schools. If this is not considered necessary, the draft order below is for approval

So far as this office is concerned we have means of ascertaining the detailed figures given in the existing form in so far as aided institutions are concerned.

A matter for Government to consider is whether the existing form of expenditure for aided institutions is not required by the general public including members of the Legislative Council.
