From (Name) R. Littlehales Esquire, M.A.

(Designation) Director of Public Instruction.

To The Secretary to the Government of Madras

Law (Education) Department.

Sir,

I have the honour to request that Government will be pleased to sanction the supply of a Bicycle at a cost not exceeding Rs. 150/- for each of the Government Arts Colleges Coimbatore, Rajahmundry and the Government Training College, Rajahmundry, in the circumstances explained below:

Government Arts College, Coimbatore:-

The sanctioned scale of menial establishment for this College consists of only 3 peons and since the amalgamation of the local Government Training school with the College, the work of the menial establishment is reported to have considerably increased. The College has besides a Branch

P.T.O.

Branch secondary school attached to it, at a distance of a mile and a half and the Principal reports that very -- often he has to remain without a peon when the peons are sent on various errands such as Treasury work, carrying papers from the College to the Branch school and the -- Training school and back etc. With a view to facilitating despatch of business the Principal requests that a Bicycle may be supplied for the college. A statement showing the approximate distances between the college and various other public offices and institutions with which the College has to transact business is enclosed.

Government Arts College, Rajahmundry:-

The menial establishment in this College consists of 7 peons of whom 2 are attached to the Physics and -- Chemistry Laboratories and one to the Library-of the -- remaining four, one is attached to the Principal and to the other three is assigned the normal work of the College. The Principal is of opinion that the supply of a Bicycle is necessary considering the distances between the College and other public offices and institutions with which the College has daily transactions.

Government Training College, Rajahmundry:-

There are 5 peons attached to the establishment of this college and the Principal reports that the supply of a Bicycle will accelerate despatch of business. A statement showing the distances between the two colleges and the various public offices and institutions in the town is enclosed.

I shall sanction the necessary reappropriation of funds to the head Non-contract contingencies-voted-Miscellaneous of the respective colleges on receipt of -- Government orders on this letter.

I have the honour to be,

Sir,

your most obedient servant,

For Director of Public Instruction.
