Madras

Sir,

I have the honour to request that, in the
circumstances explained hereunder, Government will be
pleased to sanction an expenditure not exceeding
Rs.9300/- towards the equipment of the new Science
laboratories of the High School Department attached to
the Muhammadan College, Madras.

In G.O.No.1337 W dated 25- 11-24, Government
sanctioned the extensions and improvements to the high
School buildings at a cost of Rs.92460, and again in
G.O.No.189 W dated 9- 2- 25, sanction was accorded to an
estimate amounting to Rs.11,000 for water supply,
drainage and gas plant in connection with the extensions
referred

referred to. The Principal of the Government -
Muhammadan College, Madras has now submitted plans and
amounting to Rs.9295/-
estimates from Messrs Mansfield & Sons, Calcutta for
the inside equipment of the Physical and Chemical
Laboratory forming part of the above extensions. The
estimate provides for the gas and water supply and for
furniture. The Superintending Engineer, Madras Circle
who was consulted in the matter states that as no
provision has been made for the internal fittings
of the laboratory ^{either} in the estimates sanctioned in G.O.
No.189 W dated 9- 2- 25, or in those sanctioned in
G.O.No.1337 W dated 25- 11- 24, the Educational Department
has to take the necessary steps to provide them. In
as much as the Principal, Muhammadan College ^{Madras} has, under
a misapprehension, failed to bring this matter to my
notice in time to admit of provision being made in the
Budget Estimates for 1926- 27 and as it is neither
desirable nor expedient to put off till 1927- 28 the
inside equipment of the laboratory buildings which must
be made ready for use by the school before June 1926,

K I request that the tender of Messrs.Mansfield and Sons,
Calcutta may be accepted. I might add that the above
firm is prepared to complete the work before the 31st of
March 1926, if orders are placed with them immediately.
The Estimates of Messrs Mansfield are submitted herewith
for reference and return.

I request the favour of immediate orders on
this communication on receipt of which I shall sanction
the necessary appropriation of funds to the Secondary
units "Non contract contingencies-miscellaneous" and
"supplies and services- general- apparatus and
materials"

The Government sanction
an expenditure not exceeding
Rs 9,300 ^{in the current year} / on the equipment
of the Physics and Chemistry
laboratory of the high school
department ~~attached~~ of
the Government Muhamma-
dan college, Madras.

2. No standing rules

8.2.26. 2 The estimates provide
for furniture to the extent
of Rs 5,095. These may be
procured locally as they
are mostly worktables,
benches etc. Under the
rules the order should
ordinarily be placed with
the Jail Deptt in the
first instance. It does
not appear that the
D.O. contemplates doing
this, as he requests sanction
for accepting Messrs Mansfield's
tenders. Their tender for
furniture and standing
rules for their supply should
be observed. Subject to
approval an addition
has been made to the
draft.
