Copy of a letter No. S. & G.4043/25, dated the 9th December 1925, from the Secretary, Services and General Department, India Office, to the Secretary to the Government of India, Department of Industries and Labour, Public Works Branch.

Proposal to hold in abeyance the Indian Educational Service post of Professor of Mechanical Engineering at the Madras College of Engineering.

(R)
In reply to your letter No.E-28, dated the 28th October 1925, I am directed to inform you that the Secretary of State for India in Council has sanctioned the proposal of the Government of India that the Indian Educational Service post of Professor of Mechanical Engineering at the College of Engineering, Guindy, should be held in abeyance with effect from 1st October 1924.

2. I am, however, to point out, with reference to the penultimate sentence of the second paragraph of your letter under reply, that the orders of the Secretary of State in Council limiting the initial pay of officers appointed to the Indian Educational Service to Rs. 600 per mensem apply only to cases of direct recruitment and do not apply to appointments made by promotion or transfer from another Government service or post. The action of the Government of Madras in allowing Mr. L.Venkatakrishna Ayyar to retain while officiating in the Indian Educational Service the pay to which he was entitled as a member of the Indian Service of Engineers was not therefore a contravention of the orders in question.

True copy,

Kishor Chandra

Superintendent, Govt. of India,
Deptt. of Industries and Labour,
Public Works Branch.

From the Government of India, Department of Industries and Labour, No. E 28 dated 15-1-26

The Government of India have communicated the orders of the Secretary of State in regard to the keeping in abeyance of the post of Professor of Mechanical Engineering at the College of Engineering Guindy. (The communication in the c.f. and this Government's letter No. 79 Law (Education) dated 18-1-1926 have crossed each other). A draft order is submitted.

2. The Chief Engineer has asked that the services of M.R.Ry. L. Venkatakrishna Ayyar may be replaced at his disposal as early as possible. The D.P.I. has suggested that the post may be advertised and applications invited - (Vide his letter No. 1800 dated 11-11-1925 on pages 4 and 5 of G.O. No. 79 Law (Education) dated 18-1-1926) The Director suggests that a pay of Rs 800 a month may be sanctioned for the new post to be temporarily created.

3. In his note on page 3 of notes to G.O. No. 1720 W, dated 5-11-1925 the Hon'ble the Minister has ordered that the services of M.R.Ry. L. Venkatakrishna Ayyar should be retained in the College of Engineering, Guindy *for such time as we can secure another officer until orders on the Lee Commission Report are received.* *It is not clear whether no attempts should be made to secure another officer advertisement for the post until orders are received on the Lee Commission report.*

4. The draft below may be sent to P.W.D. and Finance for acceptance.

I think we should await final orders on the Lee Commission proposals before recruiting from outside.

Para 2 of the draft order.

The pay proposed for Mr. Venkatakrishna Ayyar while holding the special post compares as follows with his pay as Executive Engineer.

(1)	Pay proposed in the draft order Rs.	Pay as Executive Engineer Rs.
On 1-10-24.	950	925
From 18.7.25	975	975
" 1-10-25	1000	975
From 18.7.26	"	1025

As he has already drawn the higher rates shown in Cd. (2), and as he is to be reverted to the regular line when a substitute is appointed, Finance need not insist that his pay, while holding the special post, should be limited to his substantive pay.

The draft order may be accepted.
