Refce. G.O.No.316 Educational, dated 23-5-1896
re Carnatic Scholarship.

Mention is made of a proposal to form
a Carnatic Stipendiaries Education Fund in paragraph
3 of the Director's letter read in the above G.O. --
vide page 4. Kindly let me know when the fund was
actually constituted and in whom the control has been
vested.

2 As provision for the scholarship sanctioned
in the G. O. does not appear to have been made in the
Educational budget in the past and as the ~~the~~
Accountant General desires information regarding the
source from which the charge is met, it may kindly be
stated if the charge is debitable either to 'Civil
Deposits Trust Interest Fund--Charitable Endowment' or
to " 44 a / Political pensions - Central."

This may be sent to ^{Public} ~~the~~ (Political) Deptt.

Please look up the Co.

 proceedings of a conference
 between C. P. B. of Prof. & Justice

 question of educational facilities

 discussed then & the paper
 may throw some light on
 the point now at issue.

Instead of a fund, a scheme for the

later Govt. The scholarships are 'forty'

respective headmasters for fees, books and other expenses.

(ii) Budget head to which the charge
should be debited.

It has been ascertained
from the A.G.'s office that the charge is
at present debited to '31 Education'.

The A.G. has apparently raised the
question of the head to which the
expenditure ought to be debited.

As the scholarships are under the
control of the D.P., the Govt. charge
should presumably,
and be debited to '31 Education', but

specific provision for the scholarships
has not hitherto been made in the
Director's budget.

The ~~only~~ factors that ~~might~~ suggest

inclusion of the charge under '441 -

An expenditure of about Rs.810 per annum is
being incurred every year on Scholarships to the
children of Muhammadan Political Pensioners.---G.O.
No.530 Edl.dated 5-8-1905. The charge is being debited
to the head "31.Education - E. General - Scholarships",
~~though~~ but specific provision has ~~not~~ been included for the
same in the Budget Estimates for the various years.
It is presumed that the expenditure in the current
and ensuing years will be met from the provision ~~already~~
already made for 'scholarships'.

2. The Law (Edn) Department have raised the
question whether the charge in the present case is
properly debitable to Provincial Revenues. Submitted
that in 1917, in connection with a proposal to grant
Scholarships to the members of the family of the ex-
Nawab of Kurnool, the question was raised whether the
charge should be debited to "27.Territorial and Poli-
tical Pensions - Imperial" the confirmation of the
Government of India being obtained for the same. This
Government, however, decided to debit the charge to
Provincial Revenues.

Subsequently, the expenditure on account of
concession to the children of Carnatic Stipendiaries
was also ordered to be met from Provincial Revenues and
debited to "22. Education - Scholarships"---Vide Para 2
of G.O.No. 636 Pub. dated 23-12-18.

3. ^{one item} "Political charges" is a Central subject.

The expenditure on account of the grant of scholarships to the children of political pensioners has all along been borne by Provincial revenues. The Government of India will also hold the view that the expenditure pertains to Education which is a Provincial subject, and not to "Political charges"—a Central subject. The expenditure involved is also comparatively small, and may, therefore, continue to be debited to Provincial revenues.

I don't think there is much of a case to support an attempt to shift the charge on to the Central Government. They are Educational rather than Political.
