With reference to G.O. No.1282 Law (Efn) dated 24-7-1925, I have the honour to state that the contributions from the General Account could not now be raised since the income from Land Cess fell from Rs72,320/- to Rs56,640/- as advised by the Collector in his L.Dis No.15951-24-A.5 dated 3-12-25.

Further the old Taluk Board of Kumbakonam has been bifurcated into Kumbakonam & Papanasam Taluk Boards with effect from 10-7-1925 as per G.O.No.2298 L & M., dated 3-7-1925 and it is working with separate funds from 10-7-1925. I have already stated in my R.C.No.129 of 1925 dated 30-7-1925 to the

President, Taluk Board,

To

The Examiner of Local Fund Accounts, Ft. St. George,
Madras.

Sir,

With reference to your L.F.No. 6575 dated 10-1-25 asking me to credit a sum of Rs12,494/- being the budget balance under the Elementary Education Fund for the year 1923-24 from the General Funds of this Board I have the honour to state that separate accounts have been opened for Elementary Education Fund only from 1-4-25 as stated by me in my R.C.No. 2225 of 24 dated 20--11-24 and the balance for the year 1924-25 has been transferred to Elementary Education Fund from the General Fund of the Taluk Board.

I have stated in my report R.C. 2225 of 1924 dated 20--11--24 that a separate Education Fund as contemplated in G.O. No. 978 Law (En.) dated 16--6--1924 could be maintained only from 1-4-1925 as it was then difficult for me to open a separate account in the middle of the year. Accordingly a separate account for Elementary Education Fund was opened from 1-4- 1925. The opening balance under Education Fund on 1-4-25 is Rs3,499-8-10 (Vide Treasury Account for March 1925). Since the Government were till recently adopting the principle of adjusting the savings towards the subsidies payable in succeeding years (vide G.O.No.1479 Law (En) dated 19-9-24, it has

has long been the accepted practice of the board to have balance of the amounts provided in the budget under the Elementary Education Fund credited towards the General Fund ; and consequently the old Taluk Board has for the year under report brought that amount towards the General Funds. Now that the Government have been pleased to issue the G.O.No.1479 Law(Edu) dated 19-9-24 by which the old practice of deducting the saving from the subsidies is directed to be discontinued with effect from 1-4-25, it will be the duty of the Board to see that contributions provided by the board in its budget is not taken back from the General Fund.

The old Taluk Board Of Kumbakonam has been bifurcated into Kumbakonam and Papanasam Taluk Boards with effect from 10-7-25 and it will be not only difficult but also very hard to ^{call} ~~ask~~ upon these boards to arrange to make good for such big sum as Rs12,494/- especially as they have to run their boards with all the attendant additional expenditure and trouble consequent upon the bifurcation with crippled finances and limited sources of income.

As already observed by me since the 1st. April 1925, separate accounts have been maintained by this Board for Elementary Education Funds and ~~there~~ will be no need to divert this fund for any other purpose in future. In view of the special circumstances adverted to above I beg leave to request you to be so good as to address the Government to waive the objection to the transfer of the funds.

I have the honour to be,

Sir,

Sir,

I have the honour to bring to your notice that as per audit report of the Elementary Education Fund Accounts for the period extending from 1--4--1923 to 31--3--1924, the Kumbakonam Taluk Board has been called upon to transfer from the General Funds a sum of Rs 12,494/- as being the balance of contribution towards Elementary Education Fund, budgetted for the year 1923-24. Till the beginning of the official year 1925-26 the practice of Government in regard to subsidies for the maintenance of Elementary Schools had been to deduct the savings, if any, in the amounts paid in any one year from the payments made for the succeeding year (vide G.O.No.1479 Law (Edn) dated 19--9--1924. So the Government had been adjusting the unspent

(G)

25/8/25
balance towards the subsidies due for the succeeding year and the subsidies were not therefore fully paid to the local boards in any one year. Similarly the local bodies were also not in the habit of paying up the full contribution towards the Elementary Education funds as provided for in the budget of any one year. By that course it cannot be said that needs of Elementary Education suffered. Whatever that be, since -- the Government were pleased to reconsider their mammoth practice of adjusting the unspent balance of subsidies towards their contribution for the succeeding year by ordering the full subsidies being credited to the boards only from 1st April 25 it will be just and proper for them to insist upon the full contribution from the local bodies only from that year. Further as represented by the then President of the Old Kumbakonam -- Taluk Board a separate account for Elementary Education Funds is being maintained from 1st April 1925. . But to ask the Board to pay now the balance of full contribution in 1923-24 is very hard and even unjust especially as by the non-payment of that balance of contribution no improper or inequitable diversion had taken place. The old board of Kumbakonam since 10th July 1925 been bifurcated into two boards of Kumbakonam and Papanasam. The finances with which they had been started were hardly sufficient to run the administration which as a result of the aforesaid bifurcation necessarily involves additional expenditure without a corresponding increase in the income. This Board has had the melancholy misfortune of losing a large slice of its income under the General Funds by an unexpected order of adjustment made for excessive Land Cess (vide copy enclosed). A reference was made to the Examiner of Local Fund Accounts, Madras detailing the circumstances under which the Government might be pleased to waive their -- objection to the non-payment of contribution (copy of this office letter reference on C.R. 129 of 1925 dated 30--7--1925 with a copy of Taluk Board Resolution No.17 dated 8th August 25 are herein enclosed) . But as the Examiner of Local Fund Accounts

18
12
found it not convenient for him to correspond with the Government on behalf of the board I am obliged to give a bit of trouble in this matter in the belief that the -- Government in their fulness of sympathy and support to the local bodies will not fail to appreciate their real difficulties particularly of the two new boards to meet their heavy demand upon their slender resources, not to mention the difficulty of apportionment. I have the -- honour, therefore, to request the Government to be so -- pleased as to consider the manifold difficulties in the way of these boards to adjust the amount and pass an order waiving the objection on the matter.

I have the honour to be,

Copy of a communication R.C. 129 T.B. of 1925 dated 30th July 1925
from the President, Taluk Board, Kumbakonam to the Examiner of --
Local Fund Accounts, Fort St. George, Madras.

With reference to your L.F. No. 6575 dated 10th January 1925
asking me to credit a sum of Rs 12494/- being the budget balance
under the Elementary Education Fund for the year 1923-24 from the
General Funds of this Board, I have the honour to state that sepa-
rate accounts have been opened for Elementary Education Fund only
from 1-4-1925 as stated by me in my R.C. No. 2225 of 1924 dated
20th November 1924 and the balance for the year 1924-25 has been
transferred to Elementary Education Fund from the General Fund of
the Taluk Board.

I have stated in my report R.C. 2225 of 1924 dated 20-11-24
that a separate Education Fund as contemplated in G.O. No. 978 Law
(Edn) dated 16-6-1924 could be maintained only from 1-4-1925
as it was then difficult for me to open a separate account in the
middle of the year. Accordingly a separate account for Elementary
Education Fund was opened from 1-4-1925. The opening balance --
under Education Fund on 1-4-1925 is Rs 3499-8-10 (Vide Treasury
Account for March 1925) Since the Government were till recently
adopting the principle of adjusting the savings towards the sub-
sidies payable to succeeding years (vide G.O. No. 1479 Law (Edn)
dated 19-9-1924, it has long been the accepted practice of the
board to have the balance of the amounts provided in the budget
under the Elementary Education Fund credited towards the General
Fund and consequently the old Taluk Board has for the year under
report brought that amount towards the General Funds. Now that
the Government have been pleased to issue the G.O. No. 1479 Law (Edn)
dated 19-9-1924 by which the old practice of deducting the savings
from the subsidies is directed to be discontinued with effect from
1-4-1925 it will be the duty of the board to see that the con-
tributions provided by the board in its budget is not taken back
to the General Fund.

The Old Taluk Board of Kumbakonam has been bifurcated into

Kumbakonam and Papanasam Taluk Boards with effect from 10--7-1925 and it will be not only difficult but also very hard to call upon these boards to arrange to make good for such big sum as Rs 12494/- especially as they have to run their boards with all the attendant additional expenditure and trouble consequent upon the bifurcation with crippled finances and limited sources of income.

As already observed by me since the 1st April 1925, separate accounts have been maintained by this board for Elementary Education Funds and there will be no need to direct this fund for any other purpose in future. In view of the special circumstances adverted to above I beg leave to request you to be so good as to address the Government to waive the objection to the transfer of the funds.

Subject - Revised budget estimate - 1925-26 - Elementary Education Fund - Taluk Board, Kumbakonam.

The Taluk Board, Kumbakonam, was bifurcated into two new taluk boards, Kumbakonam, and Papanasam with effect from the 10-7-1925. The ~~new~~ taluk boards have submitted the budget estimates for 1925-26 of the Elementary Education Funds under their control (The budget estimate submitted by the Papanasam taluk board is in the linked file.) The budgets call for the following remarks.

2. Contributions to the Elementary Education

Fund: - Rs. 32,180

The amount of contribution fixed in the normal budget of the old taluk board, Kumbakonam, is Rs 32,180. The amounts proposed to be contributed by the new boards are:

Name of taluk board	Amount
Kumbakonam	Rs 15,740
Papanasam	" 15,720
	31,510
Difference (Rs 32,180 - Rs 31,510)	= Rs 670

The Taluk Board, Papanasam, has to incur larger expenditure on the salaries of teachers than the Kumbakonam Taluk Board. In view of this circumstance the board may be asked to make good the difference of Rs 670, and to contribute (Rs 15,720 plus Rs 670 or) Rs 16390

3. Arrear contributions for 1923-24 and

1924-25 payable by the taluk board, Kumbakonam.

In the years 1923-24 and 1924-25 the old taluk board, Kumbakonam, should contribute to the Elementary Education Fund Rs 33,160 plus Rs 32,494 = Rs 65,654. It has actually contributed only Rs 59,222 and has yet to contribute Rs 6432. As the Taluk Board suffered in income owing to the damages caused by the floods and the Treasury officer has ordered the recovery of the excess credit to the board of Rs 17,031, the arrear contribution to the elementary education fund for the years 1923-24 and 1924-25 may be waived.

4. Drafts submitted. They may be sent U.O. to L.S.G. for acceptance.
