Mr 26

Resolution.

Mr. N. Devandradu:

611. THE LAW (EDUCATION) DEPARTMENT.

611. "That this Council recommends to the Government to alter G.O. No. 800 dated 2nd July 1922 so as to assimilate the pay of the library attenders with that of laboratory attenders."

- II Rs. 20 - 1 (biennial) - 25, and
- III Rs. 12 - 18 in the mufassal or Rs. 15 - 20 in the city.

When the proposition statements for the revision of pay of the establishments in Governments Arts Colleges were submitted by the Director he recommended that all laboratory and library attenders in the several Arts Colleges with the exception of a few should be given the higher scale of pay. This department supported the proposal. The Finance Department, however, stated that the number of posts to be included in the higher scale should be restricted to the number actually engaged in doing more intelligent work. There were 30 attenders in all Arts Colleges and the Finance finally agreed to their distribution as follows:-

- 15 posts on Rs. 20-1-35 in the mufassal or 23-1-35 in the city.
- 13 posts on Rs. 20 - 25, and
- 8 posts on Rs. 12-18 in the mufassal or 15 - 18 in the city.

The Director was requested to distributed these posts among the several colleges. He distributed them as shown below (the higher scales being intended for laboratory attenders):-

Colleges	Rs. 23-35 or 20-35	Rs. 20-25	Rs. 15-20 or 12-18
Presidency College	1	0	1
United District College	2	0	1
Arts College, Rajahmundry	2	1	1
Kumbakonam College	2	1	2
Coimbatore College	1	2	1

Resolution.

Mr. N. Devandradu:

OFF. THE LAW (EDUCATION) DEPARTMENT.

OFF. "That this Council recommends to

the Government to alter G.O. No. 800

dated 3rd July 1922 as to assimilate

the pay of the library attenders with

that of laboratory attenders."

The Resolution of Mr. N. Devandradu has been
balloted for.

The M. L. C. recommends that G.O. No. 800 Law
Education), dated the 3rd July 1922, may be altered
so as to assimilate the pay of the library attenders
with that of laboratory attenders.

The Reforms Commissioner recommended the follow-
ing scales of pay for attenders and muchis:-

- I Rs. 20 - 1 - 35 in the mufassal or
23-23-23-1-35 in the city.
- II Rs. 20 - 1 (biennial) - 25, and
- III Rs. 12 - 18 in the mufassal or
Rs. 15 - 20 in the city.

When the proposition statements for the revision of pay
of the establishments in Governments Arts Colleges were
submitted by the Director he recommended that all
laboratory and library attenders in the several Arts
Colleges with the exception of a few should be given
the higher scale of pay. This department supported the
proposal. The Finance Department, however, stated that
the number of posts to be included in the higher scale
should be restricted to the number actually engaged in
doing more intelligent work. There were 36 attenders
in all Arts Colleges and the Finance finally agreed to
their distribution as follows:-

- 15 posts on Rs. 20-1-35 in the mufassal or
23-1-35 in the city.
- 13 posts on Rs. 20 - 25, and
- 8 posts on Rs. 12-18 in the mufassal or
15 - 18 in the city.

The Director was requested to distributed these posts
among the several colleges. He distributed them as
shown below (the higher scales being intended for labor-
atory attenders):-

Colleges	Rs. 23-35 or 20-35	Rs. 20-25	Rs. 15-20 or 12-18
Presidency College	9	5	1
Ceded Districts College	2		1
Arts College, Rajahmundry	2		1
Kumbakonam College	2		2
Coimbatore College		2

Colleges	Rs. 23-35 or 20-35	Rs. 20-25	Rs. 15-20 or 12-18
Bremen College		2	
Victoria College, Palghat		2	2
Mangalore College		2	1
	15	13	8

Although the duties of both classes of attenders are equally onerous the D. P. I. proposed higher scales for laboratory attenders apparently ~~because~~ ^{for the reason} that their duties were comparatively more responsible than those of the library attenders. It may be noted that since the issue of G.O. No. 800 Law (Education), dated 3-7-1922, the pay of the library attender in the Presidency College has alone been raised to Rs. 23-35 on the recommendation of the D. P. I. He ^{then} stated as follows:—

"The attender/attached to the Presidency College should possess a fair knowledge of English to enable him to discharge his duties satisfactorily. He assists the Librarian in the issue of books and in the maintenance of the library in an orderly condition. It would be extremely difficult to secure and retain the services of a person possessing the necessary qualifications if his pay is not higher than that of an ordinary peon." No representation has been received in regard to the pay of the library attenders in other colleges. ~~The resolution may be opposed.~~

Law & Co. 4175 C-1
6.2.26

2. It may also be noted that laboratory attenders are now placed in two different scales, namely Rs. 20 (23) - 35 and Rs. 20 - 25. It is not clear which scale of pay the M. L. C. intend ~~to~~ should be adopted for the library attenders.
3. The file may be sent to the Director of Public Instruction u.o. for further remarks.

[As the Council met on the 8th and this resolution is the 8th in the list and official business will be first taken up.]

U.O. Reply No. 97 A/26 A/10 2/26

The resolution is that this Council recommends to Government to alter G.O. No. 800 dated 3rd July 1922 so as to assimilate the pay of the library attenders with that of laboratory attenders. A perusal of this G.O. however will indicate that there is no differentiation between the pay of a library attender and the pay of a laboratory attender. The higher scales are not specifically earmarked in this G.O. for laboratory attenders. When this G.O. was communicated to Principals of colleges and they were asked to submit their statements for fixing the pay of the various attenders in their colleges they all submitted statements which indicated that the laboratory attenders should receive higher pay than the library attenders although no instructions in this regard was issued either in the G.O. or by the D.P.I. himself. The necessity for the payment of the higher scale to laboratory attenders is fully justified by the action of every one of the Principals of colleges whose hands were quite free when they submitted their proposition statements for fixing the pay of the various attenders in their colleges.

The resolution thus amounts to a request to increase the pay of the lower paid attenders to that of the higher paid attenders in Government colleges. This is scarcely a matter upon which I can make any additional remarks except to state that no representations have been received by me that the pay of the library attenders should be increased except in the case of the Presidency College which was submitted to Government who sanctioned an increased rate for the library attender at that college. It may be presumed that

G.O. No. 486 DE
2.4.1924

6

that library attenders are available on the lower rates of pay although it may also be equally presumed that a better class of employable to do better work would be obtained if the rates now sanctioned for the junior attenders were increased.
