From (Name) E.F.Thomas, Esq., C.I.E., I.C.S.,

(Designation) Director of Industries,

To The Secretary to the Government of Madras,

Development Department.
Madras

Sir,

I have the honour to request that Government may be pleased to sanction the permanent exemption of the under-mentioned subordinate of this Department from the operation of rule 28 of the rules relating to public service examinations and art.1 of the Public Service notification with a view to qualify him for appointment as a permanent Supervisor of Industries.

2. Mr.K.Krishnaswami Mudaliar is a permanent I grade mechanic on Rs.75-5-125. He has undergone a complete course of training in mechanical engineering in the

May 7
Exemption from this rule is not necessary even if it is necessary such exemption is not granted by the Govt. Dept.

Chengalvaraya Naicker's Technical Institute, Vepery, and passed the Government Technical Examinations, Elementary, in the following subjects:-

1. Steam and Steam engines
2. Machine construction
3. Applied Mechanics
4. Fitters work

He has put in a service of nearly 15½ years in the Department, having been first entertained on 11-7-1910 and his work has all along been characterised by efficiency and merit. He possesses a sound practical knowledge of Mechanical Engineering which he has utilised to the best advantage of the Department. He has also a good working knowledge of English which I consider sufficient to qualify him for promotion as a Supervisor of Industries. He was at different times selected to hold independent charge of sub-divisions and on all these occasions he fully justified his selection. Since December 1923 he has been working as Mechanic-in-charge of the Trichinopoly Sub-Division, exercising jurisdiction over the important districts of Trichinopoly and Madura and the manner in which he is discharging his responsibilities as a Supervisor, though without a proportionate increase in his remuneration as the rules governing the qualifications for a Supervisor, have precluded his selection to that grade hitherto, is very creditable. The Assistant Industrial Engineer, Tanjore, speaks highly of Mr. Krishnaswamy Mudaliar's abilities and zeal. I consider that in view of the very satisfactory nature of his past services to the Department and the varied experience he has gained in the departmental work, he is fully deserving of promotion to the Supervisor's grade, and I accordingly request that Government will be good enough to sanction his exemption from the education and Special Technical qualifications prescribed for the Supervisors of this Department.

I have the honour to be,
Sir,
Your most obedient servant,

for Director of Industries.
