OFFICE OF THE HIGH COMMISSIONER FOR INDIA,

LONDON, S.W. 1.

FROM:-

The Secretary to the High Commissioner for India,
London, S.W.1.

TO:-

The Secretary to the Government of Madras,
Law (Education) Department,
Madras, India.

Sir,

MR. R. RY. C.K. KRISHNASWAMI, PILLAI - ACTING PROF. OF
GEOLOGY, PRESIDENCY COLLEGE - CONVERSION OF FURLOUGH
INTO STUDY LEAVE.

With reference to your letter No.1770 dated 13th October, 1925, on the above subject, I am directed to state, in response to your enquiries at para. 3, that

(i) the diary and report submitted by Mr. Pillai show, in the opinion of the High Commissioner that the time spent on such work was properly employed.

(ii) according to the evidence of the certificate of study covering the period 4th October 1921 to 28th June, 1923, study allowance at 12s. a day for the six terms included in that period, plus 14 days vacation allowance for the Easter, Summer 1922 and Christmas 1922-23 vacations would be issuable. The report and diary furnished by Mr. Pillai indicate, however, that he was employed on his studies for the whole of the vacation periods, and provided his vacation studies had beforehand been approved, he would have been entitled, subject to the remarks in the next paragraph, to study allowance therefor at 12s. a day in this country and £1 a day on the continent, provided that the Government

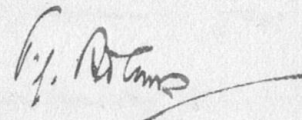

of

of Madras had expressed concurrence in the grant of study allowance for the whole period of study.

Precise details as to dates, and number of hours worked per day during the periods of vacation are not shown in the papers submitted by Mr. Pillai and a more comprehensive diary would have been demanded from him before the issue of study allowance for these periods could have been considered. He would be required to show that he had worked for not less than 5 hours each working day, and details of dates would particularly be essential for purposes of determining the periods for which the 12s. and the 20s. are applicable. But on the certificate furnished by the Imperial College alone there is sufficient ground for the grant of study allowance at 12s. a day for the full period of one year, if it is proposed to restrict the grant to such period.

I am, Sir,

Your obedient Servant,

for SECRETARY to the
HIGH COMMISSIONER FOR INDIA.

The Accountant-General reports that the rate of exchange for the conversion of £ 219 proposed to be allowed as study allowance to Mr. C.K. Krishnaswamy Pillai is the current rate of exchange prevailing on the date on which payment has to be made in India. He also reports that the charge, if incurred, is debitable to the head 'Pay of establishments-voted' as the officer was holding only a non-gazetted appointment during the period of his leave in England. Accordingly about Rs. 2900 in round figure will be required under '31 A-b-Education-University-Government Arts Colleges (i) Men-Pay of establishments voted' in the Civil Budget Estimate 1925-26 if Government sanction the expenditure in the current year. This can be met from the anticipated savings under 'Pay of Establishments-voted-Government Arts Colleges for men' itself.
