REV. W. MESTON, D.D.
PRINCIPAL

MADRAS CHRISTIAN COLLEGE

Madras, 26th January 1926

My dear Muhammed Homan,

I wish to ask whether you could kindly do anything for the encouragement of a youth belonging to the Depressed Classes.

In June a boy who had obtained a completed School Leaving Certificate came to me for admission to Class I (Junior Intermediate). He had a letter of commendation from the Acting Labour Commissioner which told me that he belonged to the Fisherman caste. I admitted the boy - T. V. Purnushothaman is his name - & he continued till November. But as no scholarship was awarded to him he was unable to pay his fees or even get enough to eat. So he fell ill & because of lack of money did not return this term. When he came to me with a letter from the Labour Commissioner I expected that he would receive a scholarship: but that expectation has not been fulfilled. He is an eager & attractive fellow & I should be glad if he could be awarded a scholarship for the two years of his Intermediate course. You will know whether this can be done, & if it can I shall be most grateful. With kind regards,
Yours very sincerely,
W. Meston

My dear Krishnamachari,

H. C. 335
of 1/26

Your D.O.No. 276 C/26-1 dated 2nd February 1926 regarding
a scholarship to Purushothaman, T.V- Christian College, Madras.

No application for a scholarship for T.V. Purushothaman
has been received by my office and all the 43 scholarships
tenable in the junior intermediate class have already been
awarded this year on the basis of the recommendations made by
Principals of colleges throughout the presidency. I have no
information regarding this boy nor can I tell without detailed
information whether his case deserves greater consideration
than the cases of other applicants for scholarships recommended
by other Principals and indeed recommended by Dr. Meston himself.

Without further information and enquiry I am unable to
advise that a scholarship be granted to this boy. If, however,
Govt. ~~we~~ wish in this particular case to set aside the general
principles, practice and procedure of this Department in the
award of scholarships it will be possible to meet the expendi-
ture on the grant of a scholarship from the savings in the
provision under '31-E(c)-Education-General-Scholarships-Voted'
in the Budget Estimate for 1925-26.

Yours sincerely

I have no objection, but I think that the attention of the Commissioner of Labour ~~may be~~ should be drawn to the case and to the fact that it is hardly fair either to a College or to a student to recommend a boy for admission without the financial question of his fees and maintenance being determined.
