Through The Director of Public Instruction, Madras.

Sir,

I have the honor to solicit reference to the correspondence ended with G.O.No.1938-Law (Education) dated 11-12-24, sanctioning the loan of the services of Miss Edith James, the Headmistress of the Model Section attached to the Government Training School for Women, Tanjore, for appointment as Headmistress of the Municipal Girls' School, East Ayyan Street, Kumbakonam. The sanctioned period of the loan expires by 21-12-1925. The post of the Headmistress in the girls' school being permanently vacant and the present incumbent being fully qualified and satisfactory in her work, I request that Government may be pleased to order the transfer of her lien on the permanent appointment in the Tanjore Training School to the post of the Headmistress in the Girls' School

here, or, in the alternative, to sanction the loan of her services for a further period of five years from 21-12-1925 on the same terms set forth in the Government order quoted above.

2. That the school is efficiently managed has been expressed in the following terms by the Hon'ble The Minister for Education, who had the honour of visiting it during last year. "Visited the Girls' School and I am pleased to see the musical drill and the songs adopted to Hindu Customs. -- Discipline is well maintained and the girls looked happy and cheerful. I wish I could spend more time in this institution". The recent report of the Sub-Assistant Inspectress on the annual inspection of the school, speaks also highly of the ability and good work of the teacher. The Inspectress of Girls' Schools and the Director of Public Instruction who had the honour of visiting the institution last month are, I believe, favourably impressed with the good working of the school.

3. In this connection I may mention that one of the points urged by this council in its address presented to the Hon'ble The Minister for Education at the time of his last visit to this town in regard to the school in question, was that it should be raised to the status of a High School. The Hon'ble the Minister for Education was pleased to reply -- expressing his sympathy with the object and promising all assistance possible to promote the cause.

4. Retention of the present incumbent in the said school is, I think, necessary for the growth and maintenance of the efficiency of the school and I request therefore that the Government may be pleased to accede to the above request at an early date.

I have the honor to be,
Sir,
Your most obedient servant,
