From. (Name) R. Littlehailles Esq., M.A.,

(Designation) Director of Public Instruction,
Madras.

To The Secretary to the Government of Madras

Law(Education)

Department.

Sir,

With reference to G.O.No.1092 Law(Education)
dated 25- 6- 25, I have the honour to request that
Government will be pleased to sanction the supply of a
bicycle at a cost not exceeding Rs.150 for each of the
offices of the District Educational Officers, Salem,
Godavari and Guntur in the circumstances explained below
District Educational Officer, Salem.

The sanctioned scale of menial establishment
for this office consists of only 3 peons. The District
Educational Officer, Salem states that in the course of
public business official communications have to be
despatched to important officers and non officials who
reside in different parts of the town at distances

ranging

pu infra
ranging from 1 to 3 miles. Further when the officer visits the elementary schools in out of the way stations in the District not easily accessible to the post and the railway, the officer, it is reported, feels very keenly the necessity for a bicycle for the peons use for carrying tappals. A statement showing the approximate distances between the office and other offices and institutions is enclosed.

District Educational Officer, Godavari.

The office of the District Educational Officer, Godavari is located in the Old Collector's office and other offices and institutions with which the District Educational Officer corresponds are it is reported, at distances ranging from 1 to 3 miles (vide the enclosed statement II. There are only 3 peons in this office and considerable delay is reported to be experienced in carrying tappals to and from the post office which is at a distance of more than one mile. Furthermore the quarters of the officer are at a distance of a mile from the office and the District Educational Officer therefore requests that, in the interests of efficient and expeditious despatch of business, a bicycle may be supplied to his office.

District Educational Officer, Guntur.

The office of the District Educational Officer, Guntur is reported to be situated in a public building quite remote from all the Educational Institutions in the town. There are only 4 peons in the office and one of them is temporary. The residential quarters attached to the office have been given away by the Public Works Department to other Departments and the District Educational Officer is consequently obliged to reside in the town proper about 2 miles from the office. The railway station

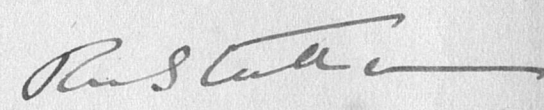

station with which business is reported to be transacted almost every day is at a distance of 2 miles from the office. In these circumstances, I consider that a bicycle is necessary for office of the District Educational Officer, Guntur and I recommend that a bicycle may be supplied to each of the three offices of the District Educational Officers mentioned above.

2. The cost of the bicycles can be met by reappropriation of funds to the head 31 E(b) Education- General- Inspection- Mens Branch- Non - contract contingencies- Miscellaneous out of savings under other budget heads in the Budget Estimate for 25- 26 and I shall sanction the additional grants on receipt of orders of Government.

I have the honour to be,

S i r,

Your most obedient servant,

for Director of Public Instruction
