Sir,

2. The scheme to treat untrained teachers of long experience as trained teachers for purpose of pay was estimated to cost Rs. 33,000. The question was not pursued further as the Department had more urgent claims on the estimated cost of Rs. 33,000 and as it was not possible with the existing funds at the disposal of the Department, to meet the demands of District Educational Councils for paying in full the grants earned by the schools in their areas calculated at the present rates. Moreover the rates of teaching grants to which untrained teachers are eligible have been recently increased.

If the request of the petitioner is granted other

similar requests will have to be considered which will involve additional expenditure estimated at Rs. 33,000 in additional grants-in-aid alone.

and the District Board, South Arcot.

The humble memorial of S. Vaithinathaswami, Assistant Teacher, Hindu Girls' School, Manjakuppam, Cuddalore, South Arcot, most respectfully sheweth:-

1. That your memorialist has passed the Matriculation Examination of the Madras University held in 1885, also the Handwriting and Translation Tests, and prosecuted his studies up to the end of F.A. course.

2. Although he has not undergone the formal course of Training, yet he has acquired sufficient knowledge in teaching by his long experiences as a teacher, and his method of teaching has been approved of, and all the Educational authorities have, all along, considered him as equivalent to, and some even better than a Trained Teacher.

3. The First Minister in charge of Education to the Government of Madras, and the District Educational Council, South Arcot have recognised him as a Trained Teacher of the Secondary grade.

4. He has also been recommended both by the District Educational Officer, South Arcot, and the Inspectress of Girls' schools, Southern Circle, in the lists of untrained teachers, called for by the Director of Public Instruction in his Proceedings R.O.C.No.2278/D/22 dated 18-5-1923 for being treated as trained teachers.

5. The latter authority who has shown his Mercy through the said and several other proceedings will also be pleased to extend the same to your petitioner solely depending on him for a long time with the hope for the future, and now praying for his mere bread to a sufficient extent in these days of costly living, agree with the view of the above authorities and - sympathetically treat the case of the memorialist as a special one with reference to his Proceedings above-mentioned.

6. In these circumstances your petitioner prays that you will also be graciously pleased to move the sympathy of - the Government to pay special consideration and give, in the petitioner's individual case, effect to the precious - proceedings of the Director and the valuable recognition - accorded by the Educational Minister and Council.

Madam,

I have the honour to forward herewith the application of S. Vythinathasami Ayyar, for favour of sanctioning the concession sought for by the applicant whom you in your R.O.No. 28-S.A., T/19, dated 28-1-19 have recommended for the post of a teacher in any one of the Board Schools for boys.

Although he has not undergone training formally, yet his method of teaching have been uniformly pronounced by several educational authorities to be good and efficient. Some of them have even certified him to be capable of teaching better than a trained teacher.

I would therefore request that the application be treated with consideration.

I have the honour to be,

Sir,

I have the honour to request you to kindly favour me with a reply on the following point in connection with the fixing of the status and position of a Failed F.A. who is a teacher in my school.

2. A teacher by name S. Vaithinathaswami has been in the service of my school for the last 15 years nearly. Prior to his joining our institution he was a very popular teacher in the Board school, Nelli - kuppam for a-bout a year (Vide Exhibit) and before that he was a well known tutor of School boys. In all, I may say he has an experience of nearly 30 years as a teacher of young children.

3. For a person of his qualification, he might have, perhaps - obtained a better job anywhere in any department but as he is an - enthusiastic public worker in the cause of Education our Committee was lucky enough in obtaining his services for a purely nominal ~~service~~ - salary and the stability of the institution itself is mainly due to his untiring efforts and to the great confidence that he commands among the parents

1-D-
parents of school children.

4. His age is nearly 49 and he is therefore not eligible to be sent for formal training.

5. The Educational authorities of all ranks have uniformly appreciated the work of this teacher and have pronounced him to be as good as a trained teacher of the Secondary Grade, while some are of opinion that he is even better than an average trained teacher though he has not undergone the formal training.

6. In particular I should like to mention that the late Honourable Dewan Bahadur A. Subbarayalu Reddi Garu, B.A.B.L., the First Minister of Education in his official capacity has from his personal knowledge of the teaching capacity of the teacher, treated him as a trained teacher of the Upper Secondary grade and the District Educational Council have also recently passed a resolution to the effect that he may be treated as a trained teacher.

7. For the foregoing reasons the Committee would like to rank him along with other trained teachers and assign him work accordingly.

8. I therefore request you to kindly favour me with your advice whether we could do so.

I have the honour to be,

Sir,

Your most obedient servant,

Government Secondary and Training Schools for
Mistresses, Cuddalore.

As a Sub-Assistant Inspectress, I inspected the above school (Hindu Girls' school, Manjakuppam, Cuddalore) on 18-11-20 and found the applicant to be an able and efficient teacher. Though he is a matriculate, his pay is only Rs. 8/- because he has not undergone training course formally and his age is now above 40.

So considering his long experience and capability, I recommend that as a special concession he may be treated as a trained teacher of the Upper Secondary Grade for all purposes of the Madras Educational purposes.

From William Nelson Esquire,
Chairman, Nellikuppam Union.

To

The Assistant Inspector of Schools,
South Arcot and Trichinopoly Division.

Sir,

I have the honour to state that the better class of rate payers and members of this union have made a representation to me that the absence, of one S. Vaithinathaswami Aiyar, teacher, Nellikuppam Board School, is greatly felt by them all, as he was a very useful and popular teacher and being a matriculate he was a valuable acquisition to the school which has long felt the want of an educated teacher. They have asked me to petition you to make arrangements for his early return.

2. This is not the only occasion in which I have heard of such representations from the people. It is quite true - that the school situated in this Union have long suffered from want of teaching of higher educational qualification.

3. Therefore I strongly recommend that the matter may receive your favourable consideration and orders be issued for the early return of S. Vaithinadaswami Ayyar to the ----- Nellikuppam school.

I have the honour to be,

Sir,

Your most obedient servant,

I have known Mr. Vaidyanadhaswami II Assistant Hindu

the Annual Inspection of his school. Though he is an untrained
teacher, he has in him the qualities of a born teacher. His
methods of teaching were found to ^{be} very good and I have no --
hesitation in saying that they are equal to those of the best
of trained teachers. He bears an excellent character.
He has studied upto the old F.A. standard and has had many -
years experience as a teacher. He desires to better his --
material prospects and wishes to apply to the authorities
to be considered as a trained teacher of the Secondary Grade.

I have known S. Vaithinathaswami Ayyar for several -

experience as a teacher and hence can be placed on a level --

He bears an excellent moral character. He will, I presume,
