R.O.C. No. 900 E/25

Station Madras Dated the 12th February 1926 192

From (Name) R. Littlehales Esquire, M.A.,

(Designation) Director of Public Instruction

To The Secretary to the Government of Madras

Law (Education)

Department.

Sir,

(K)

With reference to G.O.No. 87 Law (Edn) dated 22-1-25 sanctioning the payment to the Municipal Council, Walajapet of a subsidy of Rs. 290/- towards the ~~xx~~ recurring and non-recurring charges of the weaving class in the Municipal Elementary School for Sourashtas, Walajapet during 1924-25, I have the honour to state that the Chairman reports that at the end of 1924-25 there were 15 pupils who attended the weaving class and that during the short period, the pupils besides being able to learn the preliminaries have been trained to weave plain cloths, drill and towels of ordinary pattern.

The present strength of the class is reported to be 19 in standards 11 to 1V and instruction is given for 2 periods

2
of 50 ^{minutes} each per day per pupil.

2. Out of the total subsidy of Rs. 690 sanctioned to the Municipal Council during 1924-25 an amount of Rs. 404/- only is reported to have been spent in that year leaving an unspent balance of Rs. 286/- to its credit at the beginning of the current year.

Out of this unspent balance of Rs. 286, Rs. 113 pertains to non-recurring and Rs. 173 to recurring charges.

3. According to the Chairman's estimate Rs. 700 is reported to be necessary for the class during the current year while according to the estimates furnished by the Adviser to Government on Manual and Vocational training, Teachers' College, Saidapet, the recurring and non-recurring charges amount to Rs. 580/- and Rs. 60/ ^{respectively. The sum of Rs. 60} under non-recurring is reported to be necessary for the purchase of an almirah which has not yet been purchased.

(H) 4. As the entire non-recurring charges are to be borne by Government according to G.O.No. 1767 Mis. Law (Edn) dated 20-12-23 the Adviser recommends that the full amount of Rs. 60/- under non-recurring and one half of the recurring charges, viz, Rs. 290/- be sanctioned as subsidy for the current year.

5. Since the Council has already an unspent balance of Rs. 286 to its credit the net amount of Subsidy payable to the Municipal Council during the current year is Rs. 64 which is recommended for sanction the expenditure being met from the provision under Grants-in-aid-Educational-Voted, recurring, Manual training under 31 C (c) (1) Education-Primary grants to Local Bodies for Primary Education in the current year's budget.

Rs. Rs Rs*
350--286 64

p. 212 of C.B.E.

6. In this connection I beg to suggest that ^{the} following modifications in the scheme in future years that the ^{Manual} Vocational training be restricted to pupils of class 111 and above in the school, (ii) that the Chairman, Municipal Council be requested

3
to increase the number of pupils attending the class as the present strength is too small to justify the expense and (iii) that instruction be given only for 5 periods of 50 ^{minutes} each per week instead of 10 periods as the present arrangement interferes with the general education of the pupils attending the special classes.

I have the honour to be,

Sir,

Your most obedient servant,

6
