From (Name) R. Littlehales, Esq., M.A.,

To The Secretary to the Government of Madras

Law (Education)

Department.

Sir,

(K)

I have the honour to state that in G.O. No. 767 Law (Education) dated 12th May 1925 Government, while accepting the offer of the Hon'ble Sir S.R.M. Annamalai Chettiyar to take over the management of the Government Secondary Training school at Villupuram and the Government Lower Elementary training school at Chidambaram and to establish a school at Chidambaram for the training of teachers of the Elementary and the secondary grades, have stated that the elementary training classes will receive grant-in-aid in accordance with the provisions of Chapter VI of the grant-in-aid code, and that the grants payable to the management in respect of the elementary classes will be assessed on the basis of the scale of establishment suggested by the Director.

CPA

2. In the scale of establishment suggested in this office letter R.O.C.No. 693 A/24, dated 12th April 1925 and approved by Government in the above order the post of the manual training Instructor on Rs.40-2-60 has been included. But no provision has however been made for the purchase of tools and furniture for the manual training class, nor has any provision been made for the additional accommodation required on account of the class.

3. The Correspondent of the school has now applied for a grant towards the purchase of tools and furniture which according to his estimate comes to Rs.1712.

4. But according to the estimates furnished by the Advisor to Government the non-recurring charges for the purchase of tools and furniture and the recurring contingencies for the purchase of wood etc. required for the class amount to Rs.1080 and Rs.350 respectively.

5. As the Correspondent has not asked for any amount under recurring contingencies, I recommend that a sum of Rs.540 being one half of the amount recommended by the advisor be sanctioned to the management towards the purchase of tools and furniture during the current year.

6. As regards the source from which the expenditure of Rs.540 is to be met I beg to state that the current year's provision under "31 D(b) Education-special-Direct grants to non-Government special schools "Grants-in-aid -miscellaneous non-recurring-miscellaneous to which the expenditure is debitable" has been fully utilised.

7. If however the above proposals are approved by Government I shall provide the necessary funds by reappropriation from anticipated savings under other units under the same minor head.

8. As the financial year is drawing to a close I request the favour of very early orders.

I have the honour to be,

Sir,

Your most obedient servant,

L. C. Chinnappa
for Director of Public Instruction. 16-2
