Sir,

I have the honour to bring to the notice of Government the representation of ^{Mr} G.F. Andrews, B.A., L.T., Assistant Physical Director, that travelling at present in the Intermediate class from one end of the Presidency to another is felt by him as a hardship, as the above class of accommodation is always crowded and that consequently he cannot while travelling obtain the sleep and rest which is essential for the efficient discharge of ^{his} duties while on tour. Mr. Andrews is at present drawing a salary of Rs.110/- in the grade Rs.100-10-200 and he will become eligible

eligible to draw Travelling Allowance as an officer of the IX Grade in July 1927 only when he will draw his third increment in the grade of Rs.100-10-200. As a touring officer, whose jurisdiction ^{extends} exceeds over the whole Presidency, I fully realise the difficulties represented by him and I therefore recommend that he be treated as an officer of Grade IX of the Madras Travelling Allowance Rules for purposes of railway travelling only.

I have the honour to be,

Sir,

Your most obedient servant,

C. No. 32 C/26 - From the Director of Public Instruction, R. C. No. 2000 D/25, dated 21-12-1925.

Mr. Andrews - Assistant Physical Director - Second Class railway fare.

.....

In G. O. No. 865 Law (Education), dated 28-5-1924, the Government sanctioned the creation of a post of Assistant Physical Director on Rs. 100-10-200 for a period of five years and Mr. G. F. Andrews was appointed to it. Mr. Andrews is at present drawing Rs. 110 in the scale. For purposes of travelling allowance he is classed as an officer of Grade X (officers on a pay exceeding Rs. 100 but not exceeding Rs. 125) and is eligible for ~~double~~ intermediate railway fares. On lines where there are no intermediate classes he is eligible for ~~double~~ second class.

Mr. Andrews represents ^{that} ~~end~~ travelling in the intermediate class from one of the Presidency to another is a ~~great~~ hardship and that he is not able to get while travelling the sleep and rest which is essential for the efficient discharge of his duties. The D. P. I. recommends that Mr. Andrews should be treated as an officer of Grade IX (officers on a pay exceeding Rs. 125 but not exceeding Rs. 150) for the purposes of the Madras Travelling Allowance Rules (railway fare only) so that he may be allowed ~~double~~ ^{all} second class on the lines.

Mr. Andrews will automatically ~~be~~ ^{be} for ~~double~~ second class in July 1927 when his pay will be Rs. 130. The hardship that he complains of is, therefore, temporary - ~~and is not a permanent one~~. There does not appear to be any strong case for sanctioning the Director's proposal. For orders.

Please see the note of
Law Dept on page 1 supra. On the
basis of his pay Mr Andrews comes
under Grade X in Annexure I. It
is proposed to treat him as a grade
IX officer for purposes of railway
journey only. The reason so stated
in para 2 of the note on page 1 supra
is that he has to travel from one
end of the Presidency to another and
that he is unable to obtain the necessary
sleep and rest ^{by} interclass accommodation.
This seems rather an exaggerated version
as organised tours will ^{be} ~~provide~~ ^{minimise long} ~~travelling~~
travelling. It is not usual to grant such
concession and it does not appear that
Finance can accept the proposal.

~~in the proposed~~ It does not appear therefore that under the existing rules, Mr Andrews is inconvenienced to such an extent as to justify any exceptional treatment. The proposal therefore to treat him as a grade IX officer for purpose of railway journey may be negatived. Law (Edw)

Rem 12.2.26 may be informed accordingly. 12/2/26

On the facts disclosed in the T.A. Bill Mr A. seems to have shouldered all the sleep & rest essential for the proper discharge of his duties. & the sole argument advanced in favour of the proposal loses its force. The proposal may be rejected.
