Please see the Honble the Minister's reply to the supplementary question asked by Mr. Keerian to question No. 280 answered on 21st August 1925. The Honble the Minister's intention ~~was~~ obvious was to nominate suitable members belonging to the depressed class, ~~if~~ when vacancies arose on the Secondary Education Boards. At present there are no vacancies in the seats reserved for nomination. The M.L.C. seem to presume that ~~depressed~~ nominations to the Boards are made on the basis of the representation of Communities. The nominations are intended to provide for the representation of interests not otherwise adequately represented - (vide question and answer recorded in G.O. No. 1833 Law (Edn) 29.11.24). ~~It is submitted that the Honble the~~
~~Govt may say that the nomination of suitable persons belonging to~~
~~the~~

the depressed class will be considered when vacancies arise in the Board. A draft answer is submitted for consideration.
