To The Secretary to the Government of Madras,

Through LAW (EDUCATION) Department.
The President, District Board, MADRAS.
Sir, South Arcot.

I have the honour to bring to your kind notice that Government, have, in their order G.O.No. 106 Law(Education) dated 25-1-26, authorized Local Bodies to incur expenditure from the Elementary Education Funds on the pay of -- establishment employed on the maintenance of accounts -- relating to the Elementary Education fund. There are at -- present 156 Elementary schools in this Taluk Board and -- there is every likelihood of the number being increased as the Deputy Inspector of Muhammadan schools and the Sub-Assistant Inspectress of Girls' schools, urge for the -- establishment of more Muhammadan boys schools and girls schools respectively in school-less villages. Further, the Commissioner of Labour is every now and then writing to the

the Taluk Board for the opening of Board schools in the cherries on behalf of Adi Dravida boys. The services of two clerks are now being engaged solely in attending to the Elementary Education fund accounts pertaining to this Taluk Board and they have got full tight work during the whole month. The grade of the two clerks now in charge of the work is Rs. 35-35-14-50-1-60; in the circumstances explained above, I request that the Government may be -- moved to accord their sanction to the entertainment of 2 clerks of the grade mentioned above for attending to the Elementary Education accounts.

I have etc.

Sd./ K.M.Duraiswami Reddiar,
President, Taluk Board,
Tirukkoyilur

(True copy)

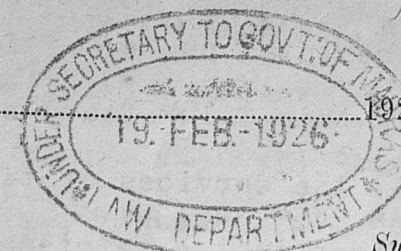

Submitted to the Secretary to Government, Law(Education) Department, Madras. As Government have, in their order, read above, ordered that proposals for incurring expenditure on the Elementary Education funds in a particular year received after the issue of orders on the Budget Estimates will not be entertained, a copy of my letter is now submitted direct to save delay. I am also requesting the President, District Board to make necessary provision in the next year's budget of the Elementary Education account under clerks and servants,

Sir,

Reference:--G.O. No. 106 Law (Education) dated the 25th January 1926 authorising Local Bodies to incur, with the previous approval of Government, expenditure on establishments etc., from the Elementary Education funds.

---*oOo*---

I have the honour to state that on this date there are 144 Elementary schools with a staff of 280 teachers under the management of this Taluk Board. Prior to the opening of 60 new Elementary Schools during the years 1924-1925 and 1925-1926 with the aid of subsidy sanctioned by Government in their orders noted in the margin*, this Taluk Board

was maintaining 84 Elementary schools, and
of the total number of four clerks employ-
ed in this Taluk Board's office, since
1918, the services of two clerks are fully
utilized in the maintenance of the Elemen-

tary Education Accounts, (the main heads of which are given in the
margin*) and besides them the Head Clerk is attending to the ad-
ministrative side of the Elementary Education Fund, under which the
work of the Taluk Board's Office is swelling by leaps and bounds.
With the opening of 60 new Elementary Schools in addition, the
limited establishment of four clerks in my office is not able to
cope with the work expeditiously in all branches of the adminis-
tration, and I find the office work often falling into heavy ar-
rears, owing to the inadequacy in the number of hands required to
discharge the work with promptitude and accuracy. I would
therefore submit that the services of three clerks would be the
least minimum number of hands required to maintain the accounts
of the Elementary Education Fund and to a little extent to at-
tend to the administrative branch connected with the Elementary
Education besides the head clerk who will have to attend to a
major portion of the work connected with the administration of
the Elementary Education Fund, and supervise the work of other
clerks. I therefore request that the Government will be pleased
to permit my Taluk Board to debit at least the pay of three clerks
(viz second, third and fourth) to the Elementary Education Fund
with effect from the 1st March 1925.

I have the honour to be,
Sir,
Your most obedient servant,

R. K. S. S. S.
President, Taluk Board.
