From (Name) R. Boulkes Esquire,

(Designation) President, District Educational
Council, Madurai.

To The Secretary to the Government of Madras,

Law (Education) Department.

Sir,

I have the honour to state that one Vanamamalai -
Pillai, Teacher-Manager, aided elementary school at Mathur in the
Tirumangalam Taluk filed a suit against the President, District -
Educational Council, Madurai in the Tirumangalam Munsiff's Court -
for a sum of Rs.77-13-0 towards teaching grant to his school for
the year 1923-1924 and court fees.

The Government Pleader, at Tirumangalam was engaged
to conduct the case. There were 6 hearings in all and the suit -
was finally dismissed with costs.

The Government Pleader demands a fee of Rs.50/- for
having conducted the case. As per Civil Rules of Practice, it is
reported by the pleader, the Court will allow only the fee at 5 %.

2
He adds further that those rules regulate the costs between party and party and not between a party and his Pleader, and as the suit is only for Rs.70/- the amount allowed by the Court should not be taken as the standard for fixing the fee to be paid to the pleader in this case.

The Council, in its Resolution No.32, dated 30-6-25 (copy enclosed) sanctioned the amount of Rs.50/- from the General savings of this Council subject to the approval of Government.

There is no separate head in the Council-Budget for - Law expenses though Section 12 of the Madras Elementary Education Act of 1920 permits the institution of a suit by or against the District Educational Council.

I, therefore, request that Government will be pleased to accord sanction for the payment of Rs.50/- to the Government Pleader from the general savings of the District Educational Council Madura. I also request that I may be informed the Budget-head under which such items of expenditure should be included.

I have the honour to be,

Your most obedient servant,

Sir,

In resubmitting herewith Government Endorsement 2798 A-1 dated 3rd August 1925, I have the honour to state as follows.

2. The fee appears to be reasonable in view of the rate sanctioned in G.O.No. 450 Law dated 1st March 1921. It is reported that the expenditure can be met from the savings available from the amount sanctioned to the council for 1925-26 under 'office and establishment expenses'.

3. Section 12 of the Madras Elementary Education Act 1920 permits the institution of a suit by or against the District Educational Council. This section therefore permits the expenses incurred in connection with the suits instituted

by or against the council though there is no separate item for debiting the charges in the several heads of accounts of the District Educational Councils. In the case of local bodies the law charges are debitable to a separate item under the main head 'Management'. In these circumstances, I recommend that the council may be permitted to meet the expenditure from the savings reported and to debit the item to 'Miscellaneous under contingencies.

I have the honour to be,
