Extract from paragraph 5 from a letter No. 44/1, dated the 10th October 1925, from the High Commissioner for India, London, to the Government of India, Department of Education, Health and Lands.

5. The High Commissioner receives from time to time applications for

grants-in-aid to assist Indian students to prosecute studies on the Continent. The Government of India's orders contained in their letters No. 6-965, dated the 14th July 1921, and No. 128-Edn, dated the 26th January 1922, interpreted literally, confine the grant of such assistance to students actually studying in the United Kingdom. Sir Atul Chatterjee doubts whether it was the intention of the Government of India to limit the operation of the scheme in this manner. He considers that students pursuing courses of special study or research on the Continent should be eligible for the receipt of grants-in-aid, provided they otherwise satisfy the conditions under which these grants are at present being made.

Remind after 1 month.
