Refce:--Correspondence ending with Kis.15-134 dated 19-11-1925 regarding the adjustment of Education cess to the Narasapur Taluk Board.

A copy of letter R.O.C.No. 4 A-3006 - 25 dated 5-12-1925 from the Treasury Officer, Kistna, enclosing the reply of the Collector of West Godavari, wherein it is stated that it is not possible to work out the figures for the official year but only for Fasli years, is forwarded for information of Government. The exact difficulty felt by the Revenue officials to furnish the information required is not however clear as it is seen from Register No. 16 of the Manual of Taluk Accounts that particulars by months are available in the Taluk Registers. As Government subsidies to local boards for Education purposes are presumably made on the basis of collections for an official year, it would seem essential to have the figures for the official year. But in view of the already long delay in giving credit to the local board of the Education cess collected in 1923-24, it is for the consideration of Government, if in the present instance as a special case Government may not permit the adoption of the Demand Collection Balance figures, for the Fasli 1333 for the transactions of the nine months, July to March and the making of the adjustment on that basis. --- Figures for the subsequent period being only in respect of official years.

Madras.

Sir,

In submitting herewith a copy of letter of this office Resup 201/N.T.B. of 24 dated 2-12-25 addressed to the Examiner of Local Fund Accounts, Madras together with a copy of reply thereon from the Examiner regarding the adjustment of the equivalent contribution of Education Cess for the years 1923-24 and 1924-25 to the credit of this Taluk Board, I have the honour to state that there is no balance at credit under Elementary Education Account of this Taluk Board. The Government was already addressed in this office Resup 201/N.T.B. of 24 dated 19-2-25 15-9-25 and 2-12-25 to obtain sanction of the Government for adjustment of the equivalent contribution of Rs 7897-6-10 for the year 1923-24 but no reply has been received in this office for the above reference for the last one year.

p 36 ante

This amount Rs 7897-6-10
has since been adjusted in this
P.T.O. G.O.

It has been
adjusted
since

If the amount be not adjusted before the end of this official year there will be a minus balance under Elementary Education Account since the expenditure for 25-26 was budgetted taking the equal grant as credit.

I therefore request that you will be so good as to adjust Government contribution for the years 1923-24 and 24-25 under section 37 of the Elementary Education Act, at an early date.

I have the honour to be,

Sir,

Your most obedient servant.

The Examiner has not reported that the taluk

be requested to report definitely whether the
boards have not actually ^(paid the tax) collected any tax or whether
the amount collected has not been duly adjusted by
the Treasury officers before the close of the year 1924-25
or whether the accounts themselves have not been
audited yet.

2. The taluk board, Devidigal, collected in 1923-24

p.5 CF 1924-25 the amount of tax collected was only Rs 9,624
The old taluk board was ^{recently} divided into three taluk
boards. Apparently the latter amount represents
the

the sum ^{credited to} collected by the new Dindigul taluk board. The Examiner may be requested to state whether this presumption is correct and, if so, to report the amounts of tax ^{credited to} ~~collected~~ by the other two ^{newly constituted} taluk boards.

Particulars relating to the realizations in the Gudivada Taluk Board for 1924-25 are not available. They have been called for and will be furnished on receipt. The amounts realized by the Taluk Boards, Bandar and Tanuku, were not adjusted to the credit of the boards within the year and the matter would appear to be under correspondence between the Presidents and the Collector.

2. A sum of Rs. 9,626/- only was realized by the Taluk Board, Dindigul, during the year 1924-25. The President, District Board, Madura, has also reported the same amount as having been realized by the Taluk Board during the year 1924-25. No amounts were distributed among the other taluk boards as the bifurcation took place in October 1925.

When definite information becomes available as to the amounts collected by these taluk boards in 1924-25 the equivalent contribution less the advance paid (XIX) Ex. 801/25 may be sanctioned for payment.

From the Statement at 'B' it will be seen that seven taluk boards realised as education tax in 1924-25 amounts less than the advance paid to them under G.O. No. 801 D.D. 14.5.25. These taluk boards have to refund a total amount of Rs 34,450. The non voted subsidies due to them for the month of March 1926 alone can be withheld in the current year. If this is done, a sum of Rs 12,883 can be recovered in the current year and the balance of Rs 21,567/- will have to be recovered early in 1926-27 from the non voted subsidies due to them for that year.

2. Sanction may be accorded to the payment to the taluk boards mentioned in the Statement at 'B' of the amounts specified in ~~col 4~~ col 4 thereof. The total amount required for payment is Rs 1,80,783/- So far, a sum of Rs 36,34,326 has been ordered to be disbursed as Non Voted Subsidies. Thus the total payment to be made in the current year is 38,15,109. There is however a provision of only Rs 37,02,300 in the budget. As pointed out above a sum of Rs 12,883/- can be withheld from the payments to be made in March 1926. In the case of a few of the taluk boards also, recoveries have been ordered to be effected from the monthly payments. The D.P.S. may be requested to submit a reappropriation

Statement to meet the excess payments to be made in the current year after taking into account the recoveries that may be effected from the monthly payments. (It may perhaps be pointed out that large savings are anticipated in the provision entered in the current year's budget under subsidies to local bodies for elementary and secondary school buildings)
