Sir,

In submitting herewith letter Ref. No. 213/Eng of 25 dated 20-9-25 from the President, Taluk Board, Salem applying for a full grant of Rs. 13,500 towards the cost of construction of 13 elementary school buildings, I have the honour to state that the Taluk Board is not prepared to bear one half of the cost of construction from its own funds. The present policy of the Government is to sanction grants for the construction of school buildings only in respect of such local boards and municipalities as are prepared to bear one half of the cost of their construction.

2. Moreover, the financial position of the

Taluk Board, as observed from its Elementary Education Fund budget, is satisfactory and the year 1925-26 will close with a credit balance. Further if the Taluk Board increases its contribution to the Elementary Education Fund as ordered in sub para (iv) of G.O.No.1661 L.E., dated 21-9-25 and credits the arrears of contribution the closing balance would be considerably increased. The general financial position of the Taluk Board is also satisfactory - vide para 15 of G.O.No.663 L & M. dated 25-2-25 and the annexure thereto.

3. In these circumstances I am unable to support the request.

I have the honour to be
