Sir,

Under G. O. No. 1538 W. Mis., dated 24th October 1921, the Municipal High School buildings, Ootacamund, have been brought on to the registers of the Public Works Department and the annual repairs to the buildings were undertaken by that department. According to G. O. No. 816 W., dated 19th July 1924, petty construction and repairs to all non-residential buildings will have to be carried out by the department occupying the building. The annual repairs cost Rs. 800.

In these circumstances, I request that you will

kindly

kindly include the cost of annual repairs, when fixing a lump sum grant to meet the net cost of the school. The net cost of the school, both ordinary and capital is noted below:

	Ordinary. Rs.	Capital. Rs.
1924-1925, ..	10,407	255
1923-1924, ..	10,507	1,179

Sir,

Letters R.C. No. 449/25, dated the 16th July 1925 and
 18th September 1925 of the Chairman, Municipal Council, -
 Ootacamund referred in Government endorsement Nos. 1840-B-1,
 dated the 23rd July 1925 and 2555-B-1, dated the 3rd January ^{October} 1925 respectively.

Re-submitted to Government.

2. The buildings of the Municipal High School, Ootacamund,
 are Government buildings, and their annual repairs have --
 hitherto been done by the Public Works Department in accordance
 with G.O. No. 1538, W, dated the 24th October 1921. In --
 accordance with G.O. No. 816, W, dated the 19th July 1924, -
 petty construction and repairs are hereafter to be carried

P.T.O.

carried out by the department occupying the buildings. The Chairman interprets this to mean that the work should hereafter be done by the Municipal Council, and requests that a lump sum of Rs. 800/- on this account should be paid along with the fixed subsidy that is going to be paid to the school instead of the variable net cost subsidy. The Superintending Engineer, Coimbatore to whom the matter was referred states that the repairs are to be carried out hereafter by the Educational Department—please vide copy (enclosed) of his letter No. 2667-M/118-c, dated the 10th November 1925— and that a lump amount of Rs. 400 may be fixed for this purpose. In this connection, I have to state that neither the school nor its buildings are under the control or in the charge of the Education Department of Government, but under the control and in the charge of the Municipality. It is difficult to understand how the repairs of such buildings can be carried out by this department. However it is a matter for Government to decide. In case the repairs are to be carried out by the Municipal Council I advise that a sum of Rs. 400/- per annum may be paid from provincial funds on that account as recommended by the Superintending Engineer or the repairs up to a maximum amount of Rs. 400/- per annum may be included in the annual net cost of the school.

Copy of letter No. 2667-M/118-C, dated the 10th November 1925 of the Superintending Engineer, Coimbatore Circle to the Director of Public Instruction:--

Reference:- Your R.O.C. No. 1615-B, of 22-8-1925-Municipal High School, Ootacamund.

The annual repairs to the building mentioned above have to be carried out by the Department concerned and in this case by the Educational Department. The lump sum amount for annual repairs may be fixed at Rs. 400/- for reasons explained in the Coimbatore Division, Executive Engineer's letter (copy enclosed) No. 2077-S.E., dated the 3rd November 1925. R.C. No. 449/25, dated the 16th July 1925, from the Chairman, Municipal Council, Ootacamund, is herewith returned as desired.

Copy of letter No. 2077 S.E., dated the 3rd November 1925, from the Executive Engineer, Coimbatore Division, to the Superintending Engineer, Coimbatore Circle:--

Municipal High School, Ootacamund.

In accordance with G.O. No. 1538 W, dated the 24th -- October 1921, the building was hitherto repaired by the P.W.D., and in G.O. No. 816-W, dated 19-7-24 it has been ordered that petty construction and repairs to all non-residential buildings are to be carried out by the Department concerned.

2. In the present case, repairs will have to be carried out by the Educational Department as the Municipality does not come under Government Department.
3. The cost of annual repairs carried out by this Department during 1923-24 was Rs. 386/- and for 1924-25 Rs. 289/-. Hence the sum of Rs. 800/- applied for by the Municipality is excessive and it may be restricted to Rs. 400/-.
4. The present capital cost of the building is Rs. 24,685.

P.T.O.

5. The Chairman's letter No. R.C. 449/25, dated the 16th July 1925 received as an enclosure to your letter under reference is herewith returned.

The Municipal High School buildings at Ootacamund are Govt buildings placed in charge of the Municipal Council. There is no objection to entrust the maintenance of the buildings to the Municipal Council Subject to the provisions of paragraph 383 of the P.W. Account Code. The payment made to the Council should be treated

As a payment for work done by a Contractor
 and a certificate should be furnished by
 the Ex-Engs of the Dist. that the work has
 been carried out satisfactorily - The
 M.C. Council will have to agree to the
 Condition that the repairs ^{shall} be carried

The annual repairs to the building were carried out by the O.W.D. during the years 1923-24 and 1924-25. (Vide. K on p 7 of)

The repairs for 1925-26 have not apparently been carried out by the O.W.D. as no order 816 W of 19.7.1924 was issued in the meantime.

The new arrangement of entrusting the Municipal Council with the execution of repairs may therefore take effect from 1926-27,

as it seems to be too late now to carry out the repairs in the current official year. Moreover,

these repairs can be more conveniently carried out when the school is closed for the vacations. The file may be referred to Law (Ed) no 202.
