Sir,

In submitting herewith letter R.O .C.No. 217/25 dated 25th November 1925 of the President, District Educational Council, Coimbatore, I have the honour to state as follows:-

2. At present the issue of the District Gazette in which the council's proceedings are published is being supplied with reference to G.O.No. 1570 Law (Education) dated 31st October 1921. Under G.Os 1522 Law (Education) dated 3rd September 1925 and 1075 Law (Education) dated 11th July 1921 the issues of Part I A and Part I B of the Fort St. George Gazette are also being supplied to the District Educational Councils.

2

3. In the full issue of the District Gazette amendments to the list of backward classes relating to the Elementary schools and notifications issued by the Educational Officers in the district and by the local bodies are published and they will be of use to the District Educational Councils. The full issue is being supplied to the local bodies on payment. But in the case of the District Educational Councils no such payment need be insisted on as they have got only the provincial funds placed at their disposal for specific purposes. In these circumstances I recommend that the full issue of the District Gazette to the District Educational Councils may be sanctioned free of cost.

I have the honour to be,

Sir,

Your most obedient servant,

Through The Director of Public Instruction, MADRAS,
Sir,

(M) In their order No. 1570 dated 31-10-1921 Government have sanctioned the supply of the District Gazette to this office, only in so far as the portions that relate to the publications of the Proceedings of this council, are concerned. It is necessary that the whole of the District Gazette should be supplied to this office. Recently a notification as regards the enhanced rates of teaching grants was published in the District Gazette by the District Educational Officer prior even to the receipt of G.O.No. 1550, dated 4th September 1925, and this office, since it does not get the whole gazette was not able to see the notification. Again some additions to the list of backward classes recommended by this Council were published in the District

District Gazette, and this office was not aware of it until the Director of Public Instruction drew attention to the notification. I have therefore the honour to request that Government will be pleased to order the regular supply of full Gazette to this office. Such a supply is made even to the office of the Deputy Inspector of schools.

I have the honour to be,

Sir,

Your most obedient servant,

W. A. S. Chandrasekhar

The D. P. I. may be asked (u.o) whether copies of the District Gazette are in the offices of the Dist. Edl. Officers may not be made available for reference by the D. E. C's. If such a course is possible, it seems unnecessary to supply copies of Dist. Gazette separately to D. E. C's.
