DEMAND XVIII--Education (Reserved).

Mr. C. Maruthavanan Pillai:-

of Demands.

370. To reduce the allotment off Rs. 7.23 lakhs
for Education (Reserved) by Rs. 100.

(To raise the question of the injustice in the
matter of the separation of European from Indian
Education).

Law (Education) Departt.

The division of 'Education' into the two
heads 'European education--Reserved' and 'Indian Education
--Transferred' is in accordance with the Devolution
Rules and, if the division should be done away with, it
must be by an amendment of those rules. This question
was raised by Mr. C. V. Venkataramana Ayyangar in the
course of ^{the} budget debate in March 1924, and the Hon. the
President then pointed out that he could not put it to
the vote of the ~~Legislative~~ Legislative Council. The ques-
tion was not further discussed.

Thanks,

2. I should be glad to have a copy of the last
Administration Report in respect of European
Education. The Budget Estimates hardly explain
themselves without a guide of that kind.
