Through the Director of Public Instruction, Madras.

Scholarship-Silver Wedding Fund Syed Burhanuddin.

The humble petition of Jemadar Syed Abdl Latief,
I.M.P. I.M.D., (Retired) most respectfully sheweth.

The petitioner is in receipt of Madras G.O. No. Mis.507
dated 7th April 1924, stating that the Committee of the
Administrators are prepared to award the petitioner's son
Syed Burhanuddin a Scholarship of Rs. 25 a month tenable at
a College in India and he feels extremely encouraged by the
very generous and sympathetic consideration of his request
and is very deeply indebted to the benign Government. Here
the petitioner fully realises that this kind order confirms
the promise of encouragement specially given by General
Hislop, viz. (to quote his words).

" I could only tell you that Government will do all in
their power for the family of so distinguished and honourable
Officer, the several Battles you have fought and the length
of your service which are all published in the official
Gazettes must testify to facts and you need not trouble
yourself on the matter. The copy of the letter of General
Hislop along with the testimonials granted to an ancestor of
the petitioner namely Subadar Major Sheer Ali, Himmeth Jung, by
General John Malcolm, General G.Walker, General R.W. O'
Callaghan, General Dick, and General Tweedale, are submitted
for perusal. The petitioner is sure that these testimonials
will convince the Committee of Administrators what useful
noble and loyal services the petitioner's Ancestors rendered
to the British Government and in what high estimation the

British

British officials of high position in Government held the members of the family.

2. The petitioner served the benign Government for 25 years, was present during the ~~Boer~~ Boer War and the great European War and was to his misfortune permanently disabled during the late Great War. The disability contracted on Field service completely wrecked his constitution and frustrated all his hopes of future advancement. The injury pension granted to him is barely sufficient to maintain his large family and has therefore to depend upon his only son practically for all family affairs.

3. As regards the course now suggested in the Government of Madras, G.O. No. 507 Law (Education) the copy which is enclosed, it is respectfully submitted that the petitioner's son has to study at least 4 years in India to take his degree and then for three years in England, thus he is taken away for seven years before being useful to his hard worked and debilitated father and other female family members and he would then be about 28 years of age which may perhaps render him ineligible for entry in Government service under age restrictions.

4. To avoid this long course of study the petitioner's request was to permit his son to pass the Cambridge school certificate examination and then to be sent to England for studying Law. In accordance with this suggestion his son has to study for four years only. (One year in India for passing the Cambridge school certificate Examination and three years in England). After the completion of which he will be of immense use to the petitioner and his family members and relieve their anxiety in all ways.

5. In accordance with the latest rules the petitioner understands that candidates who pass the Cambridge School certificate Examination are admitted in the Inns of Court in England and for ready reference an abstract of rules relating to the Cambridge school leaving certificate examination is attached.

6. The petitioner respectfully begs to submit that his family members sacrificed their personal interests and progress in life in other ways and the greatest of all the sacrifices they made was to offer their precious lives most willingly at the Altar of Loyalty. They were true to their English Sovereigns till the point of death and departed with the full confidence that their dear ones whom they were leaving behind would be well taken care of by the benign British Government for whose safety they ungrudgingly laid down their lives. The petitioner further begs to state that a few families in India could surpass the vast number of sacrifices made by his family for the English cause. Therefore the petitioner respectfully submits that his case deserves a special and merciful consideration especially with reference to the very kind encouragement given by the letter of General Hislop quoted above and he is sure that all reasonable and deserving help to the members of such a family will be rendered.

7. In the circumstances set forth above the petitioner prays that his son may kindly be permitted to pass the Cambridge school ~~leaving~~ certificate examination and then he may be sent to England to study Law. By granting this course the benign Government will be doing immense real good to the disabled petitioner and his family members who will have the fortune of having back amidst them soon their only member on whom their future support depends.

The petitioner encloses the copies of testimonials granted to him by Colonel C.A. Johnston, I.M.S., C.B. D.S.O. Director of Medical services. Lieut. Col. C.I. Burley, I.M.S., Lieut. Col. W.T. Mc' Cowen, I.M.S., and also encloses the testimonials granted to Captain Syed Yacoub, O.B.E., I.O.M., Jagirdar, A.D.C., to H.E. the Commander in chief, the maternal Grand father of his son, and these may kindly be

Scholarship to Syed Burhanuddin.

Dear Sir,

I am desired to say that in the circumstances explained
 by Jamadar Syed Abdul Latief in his petition of the 1st
 September 1924 forwarded with your letter no. 3083.C-1.,
 dated the 20th November 1924, the Administrators agree to his
 son, Syed Burhanuddin, studying for the Cambridge school
 certificate examination instead of taking a degree course of
 an Indian university. For this purpose they are pleased to
 award him a scholarship of Rs. 25 a month from the Silver
 Wedding Fund for a period of one year. A cheque to cover the
 value of the scholarship will be transmitted on receipt of
 information as to the school at which Syed Burhanuddin
 proposes to prosecute his studies and the date from which the
 scholarship should commence.

2. I am to add that the award of this scholarship in no
 way binds the Administrators to send Syed Burhanuddin to
 England for the study of Law.

COPY of memorial from Jemadar Syed Abdul Latief, L.M.P., I.M.D., (Retired) Secunderabad, to the Honorary Secretary, Silver Wedding Fund, Simla. through the Director of Public Instructions, Madras, dated 15th August 1925.

I beg respectfully to acknowledge the receipt of your letter No. 221 dated the 9th June 1925, addressed to the Director of Public Instruction Madras who communicated the same with his memorandum dated the 9th July 1925, and to convey my sincere thanks for the assurance given that the administrators will favourably consider paying the usual fees for the examination on the condition mentioned.

In this connection I beg leave to submit the following representation.

The Cambridge School Leaving certificate examination is held twice a year in July and December and at the Grammer School at Hyderabad. Candidates are coached only for the examination which is held in December and not for the one held in July. At the Grammer School Hyderabad, candidates are admitted in January. Seven month's of the examination year having lapsed and the fee for the examination which is to be held in December 1925 having also been collected -vide the letter of Mr.H.W.Shawcross M.A., the local Secretary enclosed herewith, I regret to submit that my son has absolutely no chance of going up for the examination in December 1925.

I respectfully beg to submit that in these circumstances the only course open to my son is to prepare for the examination which will be held in July next. In case he is sent to an English school in some other city where candidates are coached for July examination the scholarship sanctioned will not be sufficient and to supplement it, I beg to state, that I am unable to spare anything from my poor small pension. Therefore I submit that as the Cambridge University permits candidates to sit for the examination after studying privately without

(24)

attending a school, my son may kindly be permitted to appear privately for the examination which will be held in July, I will have my son coached up at home by an efficient and capable tutor whom I will engage on the receipt of orders and I will send my son to appear for the examination to the centre where it will be held in July 1926. The receipt for having remitted the examination fees and the certificate of the Superintendent of the centre for my son having actually attended the examination will be submitted to the administrators.

It is unfortunate that much time has already been taken up in correspondence and I earnestly request the favour of early orders on this request now so that my son may start his study under proper tuition and prepare for the examination to be held in July next.

I humbly request that in consideration of the great sacrifices that have been made, invaluable services that have been rendered to the British Government for centuries past by my family members together with my humble services during the Boer and Great Wars and the permanent disability contracted during the latter my only son may kindly be permitted to appear for the examination privately as a special case. If this humble request is granted which I earnestly hope it will, the scholarship sanctioned may kindly be remitted to my address.

For which act of kindness I shall ever feel grateful.
